LEGACY VILLAGE OF MURRELLS INLET

NEWSLETTER | JULY 2025

Message From Your Executive Director

Welcome to July! I hope this month brings you more smiles than mosquito bites and plenty of chances to connect with friends and neighbors.

Did you know July is peak season for fireflies in many parts of the country, and scientists still can't agree on exactly how fireflies synchronize their blinking lights? In some places, entire fields of fireflies will flash in perfect unison, putting on a light show that even the world's best choreographers couldn't organize. Researchers have studied this mystery for decades, and while they understand the "how" (a mix of biology and environmental cues), the "why" is still up for debate. Some say it's about attracting mates, while others think it might help them avoid predators. Either way, it's a reminder that there's still a bit of magic left in nature—and sometimes, the best moments are the ones science hasn't quite figured out (kind of like why our socks disappear in the laundry).

Of course, July is also the month we celebrate Independence Day—a time to gather, reflect on freedom, and appreciate the spirit of community that brings us all together. Here's a little-known fact: the Continental Congress actually voted for independence on July 2nd, 1776, not the

4th! John Adams, one of our Founding Fathers, was so certain July 2nd would be the day we'd always remember that he refused to celebrate the Fourth for the rest of his life. The Declaration of Independence was adopted on July 4th, but most delegates didn't even sign it until August. Just goes to show, even history likes to keep us on our toes!

Whether you're watching fireworks, enjoying a favorite summer meal, or simply spending time with loved ones, I hope you find moments this month that remind you of the strength and resilience we share.

Our calendar is packed with activities and opportunities to learn, laugh, and make memories. Please take a look inside, keep the calendar handy, and join us whenever you can.

Thank you for another month of letting us be a part of your lives and for trusting us with your care—or the care of your loved ones. We're grateful, every single day.

Here's to a July full of wonder, connection, and maybe a little firefly delight.

Sincerely,

Caring Hands, Compassionate Heart: Meet Resident Services Director Kim Vogelman

With three decades of experience in health-care, Kim Vogelman brings both expertise and heart to her role as our Resident Services Director. Kim began her journey as a CNA right out of high school, quickly discovering her passion for caring for others. She went on to become a phlebotomist before taking a few years off to raise her three children—a role she'll tell you is one of her proudest accomplishments.

Once her children were in school, Kim returned to her studies and earned her nursing degree. Since then, she's dedicated herself to long-term care, serving residents in both assisted living and skilled nursing facilities. Her commitment to fostering health and wellness in every community she joins is clear in everything she does.

In her new role, Kim will oversee and promote the well-being of our residents through regular visits, thoughtful assessments, and open communication with families and care teams. Her genuine passion for helping others shines through in every interaction.

We're thrilled to have Kim leading our resident services team. With her at the helm, you can rest assured your loved ones are in caring and capable hands.

Welcome Home

Alice Holford

Happy Birthday!

RESIDENTS

- 30th National Cheesecake Day

The Power of Socializing

Connecting with others is one of the simplest yet most powerful ways to enrich our lives. At Legacy Village, socializing isn't just about passing time—it's about building meaningful relationships that nurture the heart and mind. Whether it's sharing a laugh over coffee, joining in a favorite activity, or simply enjoying a friendly conversation, these moments of connection help foster a sense of belonging and purpose.

Social engagement has been shown to support cognitive health, improve mood, and even boost physical well-being. It helps us stay active, both mentally and emotionally, and reminds us that we are part of a caring com-

munity. Every smile exchanged and every story shared adds to the vibrant tapestry of life here.

No matter where you are in your journey, the friendships and bonds formed at Legacy Village bring comfort, joy, and strength. Together, we create a welcoming environment where everyone can thrive, feel valued, and enjoy the richness of connection every day.

We invite everyone to take part in the many opportunities to connect—whether it's a group activity, a shared meal, or a quiet moment with a friend. These small moments build a strong, supportive community where every person's presence matters.

Join us in making each day brighter by connecting with friends and neighbors—there's a place for you here at Legacy Village.

I used to have a job in a calendar factory, but I got fired because I took a few days off.

JUST FOR FUN
GUARANTEED
to make you blow air out your nose.

Did You Know?

The song "Yankee Doodle" was originally sung by British army offices to mock Americans. In 1755, Dr. Richard Schuckburg wrote the words to this song because he felt colonists were rude, crude and cowardly! Well, isn't that "dandy!"

A WALK DOWN MEMORY LANE

What does America mean to you?

- Patsy B.**
My freedom to not get into trouble for what I think is right.
- George R.**
It's good.
- Gege K.**
Independence and rights and to be with the people I am with.
- Ellen S.**
It's the American flag even if it rains.
- Jim M.**
Hot dogs and Chevys.
- Frank E.**
I was in the Army.
- Henry J.**
Everything.

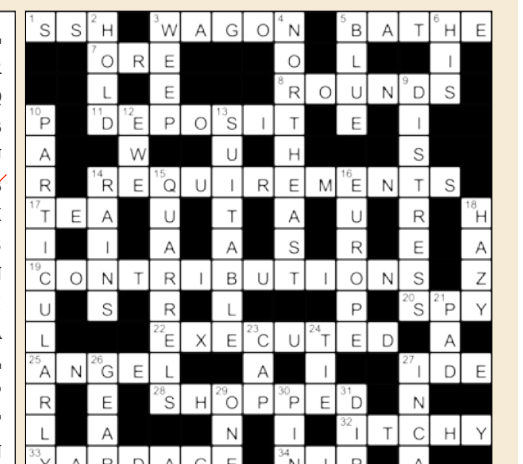

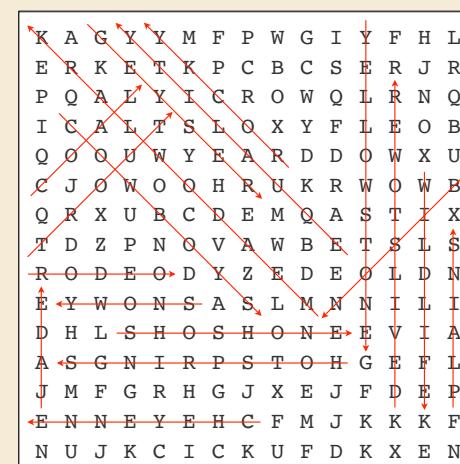

Happy 4th of July

A TOAST TO THE OUTSTANDING FATHERS IN OUR LIVES

Matching Sundae: 3&7

Terra Fields

JULY WINNER

"If anyone forces you to go one mile, go with them two miles."

Matthew 5:41

Congratulations to Terra Fields, our Going the Extra Mile Award Winner!

Terra's heart truly shines in everything she does here. For her, the residents aren't just people she cares for—they've become cherished friends and family. As Terra puts

it, "I enjoy talking with the residents, listening to their stories, and doing those silly little things that bring smiles to their faces and laughter to their hearts. I tell people all the time that I'm truly blessed because I've gained many, many 'grandmas' and 'grandpas'!"

Born and raised in the coal fields of southwestern Virginia—a true "Coal Miner's Daughter"—Terra found a new home in the beautiful Murrells Inlet area after a family vacation captured her heart. She's now been a proud South Carolina resident for over a decade, bringing warmth and joy to everyone she meets.

"...I'm truly blessed because I've gained many 'grandmas' and 'grandpas.'"
—Terra

Terra's family is just as special to her. She recently celebrated her daughter Alex's stunning wedding, a joyous occasion made even sweeter by the outpouring of best wishes from Legacy Village residents. Terra was thrilled to share every detail about Alex and her new husband Logan, and you can tell just how proud she is of them.

Thank you, Terra, for your kindness, dedication, and the genuine love you bring to our community every single day. You truly go above and beyond, and we're so lucky to have you with us!

With Each Step, Each Smile, Our CNAs Make the Difference

We are deeply grateful for the compassion and hard work our CNAs bring every day—thank you for making a difference in the lives of our residents, and making Legacy feel like home.

Irene Conner: A Life of Caring, Community, and Clemson Spirit

If you've had the pleasure of chatting with Irene Outlaw Conner, you already know she's someone who lights up a room. Born on a farm in Horry County on December 28, 1932, Irene grew up surrounded by the values of hard work, family, and community. As the

daughter of Garland Foster and Harriette Vereen Outlaw, she learned early on what it means to care for others—a lesson she would carry throughout her life.

Irene shined in high school at Socastee, where she was not only a star on the basketball court but also the editor of the school newspaper and yearbook. Her love of learning and helping others led her to Winthrop College, where she earned her degree in education.

In 1953, Irene married the love of her life, Warren "Doug" Conner. A year later, they welcomed their daughter Sandra Marie and built a life together in Rock Hill, South Carolina. Irene spent her days in the classroom, inspiring countless students with her passion

and kindness. The family eventually moved to Cartersville, Doug's hometown, where Irene continued teaching at Ashwood Central and Robert E. Lee Academy in Bishopville. Her impact as an educator lasted for more than 40 years, and her former students still keep in touch—a true testament to how much she's loved.

Outside the classroom, Irene is a devoted Clemson Tigers fan (GO TIGERS!), a voracious reader, and a collector of antiques. If you visit her, ask her about her impressive collections of fine china and Santa Clauses—each piece comes with a story.

After her husband Doug passed in 2007 and her daughter Sandra in 2021, Irene poured her heart into volunteering at Carolina Hospital Systems in Florence. She gave her time generously, always looking for ways to help others.

In February 2025, Irene made Legacy Village of Murrells Inlet her new home. She's thrilled to be closer to family and to find a new community to call her own. We're so grateful to have her with us—her warmth, wisdom, and humor make every day a little brighter. Welcome, Irene!

REMEMBER!

Stay Hydrated to Beat the Heat! IT GETS HOT IN SOUTH CAROLINA!

Gege Kimball: Tales of Travel, Laughter & a Life Well-Lived

If you're looking for stories, adventures, and a dash of sass, just pull up a chair next to Sandra "Gege" Kimball. Born and raised in Columbia, Gege grew up in a lively household where her mother—fun, spunky, and hardworking—set the tone for a life well-lived. With her

mom's busy career, Gege's days were filled with the company of a full-time nanny, a house full of friends (thanks to being an only child who never met a stranger), and a steady parade of pets. Her very first dog, a cocker spaniel from her dad, started a lifelong love of animals, and weekends at the family lake house quickly became a tradition for friends and family alike.

Gege graduated from Columbia College, but her most memorable encounter in those days might just be the day she met her future husband, Guy. Picture this: Gege in her orange Comet convertible at Doug Broome's Drive-In, when Guy strolls over with the classic line, "Hi, Blondie!" Turns out, it was the perfect icebreaker. They married in 1968. Gege still laughs about their early days together—especially the time she bounced a check, and Guy promptly separated their bank accounts (and, to this day, she jokes he never let her near the checkbook again).

Both Gege and Guy earned their master's degrees at USC—hers in social work, his in engineering—and built a life full of purpose and compassion. Gege spent two decades working at the state mental hospital in the men's ward (she'll tell you with a grin that the women's ward was just too mean!), and she was a fierce advocate for abused children. Together, she and Guy supported causes close to their hearts: wildlife, nature, and especially the safety of sea turtles at Hunting Island.

But Gege's real specialty? Adventure. Whether they were behind the wheel of their VW Bus or their Mercedes B-Class Van, Gege and Guy covered every state in the U.S.—Alaska and Hawaii included. Their passports filled up with stamps from all over South America: Argentina, Brazil, Chile, Ecuador, Colombia, Peru, Venezuela, and more. They explored Costa Rica, made annual road trips to Mexico for Cinco de Mayo, sipped drinks at the Ice Bar in Antarctica, swapped stories with friends in British Columbia, and even watched as Guy climbed Mt. Fuji in Japan. Of all their travels, Alaska holds a special place in their hearts.

Gege's life is one big collection of laughter, love, and memories made on the road. We're so happy to have her in our community—her stories (and her spirit!) make every day a little brighter.
