LEGACY VILLAGE OF MURRELLS INLET

NEWSLETTER | OCTOBER 2025

A Message From Your Executive Director

As the leaves start to change and the air turns crisper, it seems like life speeds up for everyone. Around here, fall is a season bustling with activity—festivals, family events, and traditions both old and new. For many, this time of year is a juggling act: kids settling into the school routine, calendars filling up with sports and lessons, and workplaces picking up the pace after summer. If you're part of the "sandwich generation," you know better than anyone what it means to be pulled in all directions at once, balancing the needs of growing children and supporting aging parents or grandparents, often while still managing careers and everything else life throws your way.

We know that when a loved one moves into our community, it's usually because families need a helping hand. What might come as a surprise is how often you'll hear from us, too, inviting you to join in for a meal, a festival, a musical performance, or just a moment to connect. We do this not to add to your already-full plate, but because we believe that staying connected, even in small ways, means everything to the people who live here—and to those who love them.

Still, we understand that you can't be everywhere at once. Sometimes, you're running from a school bake sale to a weekend tournament, and there just isn't enough of you to go around. Please know: we see you, we appreciate you, and we're grateful for every moment you share with us, even if it's just a phone call or a note sent in.

This month, as we roll out fall celebrations and family-friendly events, we hope you'll find a few minutes to join us when you can. Our doors are always open, and there's nothing better than seeing families come together, whether for a pumpkin craft, a game night, or just to laugh and swap stories. Maybe, just maybe, our little gatherings will make it a bit easier to spend time with your loved ones, all in one place.

Thank you for trusting us with someone so important to you. We're honored to be part of your extended family.

Sincerely,

Cynthia Reimheimer
Executive Director

Angelo Scorlez: A True American Hero in Our Midst

When you meet Angelo Scorlez, you're not just

shaking the hand of a kind neighbor—you're connecting with a living legacy of honor, duty, and unwavering service.

Born on September 24, 1937, in the Bronx, New York, Angelo's story is woven deeply into the fabric of American history. At just 18 years old, in 1955, he raised his right hand and enlisted in the United States Air Force—marking the beginning of an extraordinary journey that would span 62 years of dedicated service to his country and his community.

Angelo's career reads like a blueprint for heroism. After the Air Force, he served with distinction in the New York City Corrections Department, the United States Army Reserve, the North Carolina National Guard, the South Carolina State Guard, the Myrtle Beach Police Department, and the Murrells Inlet Fire Department, where he served faithfully until the age of 80. Few can say they've devoted over six decades to protecting others—but Angelo wears that legacy humbly.

His service earned him countless commendations, including a Certificate of Recognition from the Department of Defense for his role in the Cold War (1945–1991) and a Certificate of Appreciation from the Secretary of the Army for his contributions during the Global War on Terrorism. Yet, despite the accolades, Angelo remains grounded in gratitude, family, and faith.

Angelo's proudest titles, however, aren't on a uniform. He is the devoted husband to his beloved late wife, Marie, and a loving father to his son John Scorzello, father-in-law to Gillian Scorzello, and doting cat dad to his furry companion, Max. His eyes light up when he talks about his family, a clear reminder that the heart behind the uniform is just as strong as the soldier who wore it.

Today, Angelo continues to inspire those around him—not just with his stories, but with his presence. He is a man who embodies what it means to serve selflessly and live fully. Whether you find him sharing memories of his Bronx childhood, telling stories of camaraderie from the firehouse, or simply enjoying a quiet afternoon with Max, Angelo carries with him a calm strength and a gentle pride that's felt by all who know him.

Please join us in honoring Angelo Scorzello, a true American hero, a devoted family man, and a cherished member of the Legacy Village of Murrells Inlet family. And perhaps sit for a while to hear a story or two. They don't make them like Angelo anymore.

LEGACY VILLAGE AWARDED READERS' CHOICE BEST ASSISTED LIVING IN GEORGETOWN COUNTY

You did it! Thanks to your trust, support, and dedication, Legacy Village of Murrells Inlet has been named the Reader's Choice Award winner for Best Assisted Living in Georgetown County!

We are incredibly grateful and deeply humbled by this recognition. This award isn't just about a building or a name—it's about the people who make this community so special. Every smile, every act of kindness, and every moment of care has shaped Legacy Village into the place it is today.

Thank you for making Legacy Village a true home—for each other, for our families, and for everyone who walks through our doors. We're honored to celebrate this achievement with you.

Sheila Etheridge October 2025 Winner

*"If anyone forces you to go one mile,
go with them two miles." Matthew 5:41*

If you've ever walked through the halls of Legacy Village of Murrells Inlet and found yourself smiling for no reason, chances are—you just passed Sheila.

Since joining our community in May, Sheila has become more than just our incredible Activities Assistant—she's become a light. Each morning, she steps through our doors with a warm smile that seems to melt away even the grayest skies. Her laughter echoes gently down the hallways, and her kind, attentive spirit makes every resident feel seen, heard, and truly loved.

Whether she's leading a lively game, offering a comforting hand, or simply sharing a quiet moment with someone who needs it, Sheila brings heart into everything she does. She doesn't just plan activities—she creates joy. She doesn't just work alongside her teammates—she uplifts

them.

Her heart for service is something you feel, not just see. It's in the way she remembers the little things, the way she notices when someone needs a pick-me-up, and the way she makes every day feel like a celebration of life.

Outside of Legacy, Sheila's world is filled with the same warmth and laughter she brings to work. She cherishes time with her family—especially her beloved grandson, who can always count on his grandma for love and laughter. And at the end of a long day, she finds peace at home curled up with her cat, Jeffery, who no doubt appreciates her gentle nature just as much as we do.

Sheila is the kind of person who makes a place feel like home. So the next time you see her, be sure to stop and share your appreciation—because going the extra mile isn't just something Sheila does. It's who she is.

GET TO KNOW CINDY: 20th Questions Edition

Ever wonder what makes Cindy tick? In honor of **National Boss's Day**, we put her in the hot seat and asked 20 fun and revealing questions. Here's your chance to get to know the person behind the job title!

1. If you could only eat one food for the rest of your life, what would it be? **Ice cream.**
2. What's the most unusual item in your wallet or purse right now? **A pair of underwear..lol**
3. What's the worst haircut you've ever had? **Pixie**
4. Which emoji do you use way too much? **👍**
5. Would you rather fight one horse-sized duck or a hundred duck-sized horses? Please explain. **A hundred duck-sized horses.. Ducks are aggressive when cornered – now imagine one the size of a horse. Stronger and potentially more dangerous than 100 tiny foes.**
6. What's a fashion trend you secretly (or not-so-secretly) miss? **Crocks with socks**
7. What's your go-to karaoke song? **We are Family**
8. If you could invent a holiday, what would it celebrate and how would you celebrate it? **Unplug Day!! A full day to step away from screens – no phones, no laptops, no social media – and reconnect with nature, people, hobbies, and real-life experiences.**
9. What's the oddest job you've ever had (or would want to try)? **I used to paint advertisements on car windshields and dealership display windows. Picture me out there with bright paint markers, writing 'LOW MILES!' or 'HOT DEAL!' across windshields in 90-degree heat. It was like being a walking, talking billboard – with a paintbrush. Definitely not your average 9-to-5!"**
10. If you could have any superpower, what would it be? **Adaptation. Instantly adapt to any situation, environment, or challenge – mentally, physically, or emotionally. Walking into a room full of experts? Your brain adjusts – you can keep up. Dropped into a new country? You quickly pick up the language and customs. Extreme cold or heat? Your body regulates. High-pressure crisis? You stay calm, think clearly, and act fast.**
11. What song always makes you dance or sing along? **Uptown Funk**
12. Morning person or night owl? **Night owl. The world slows down at night – no constant emails,**

texts, or distractions. It's a perfect time to think, read, write, or work on creative projects without interruptions

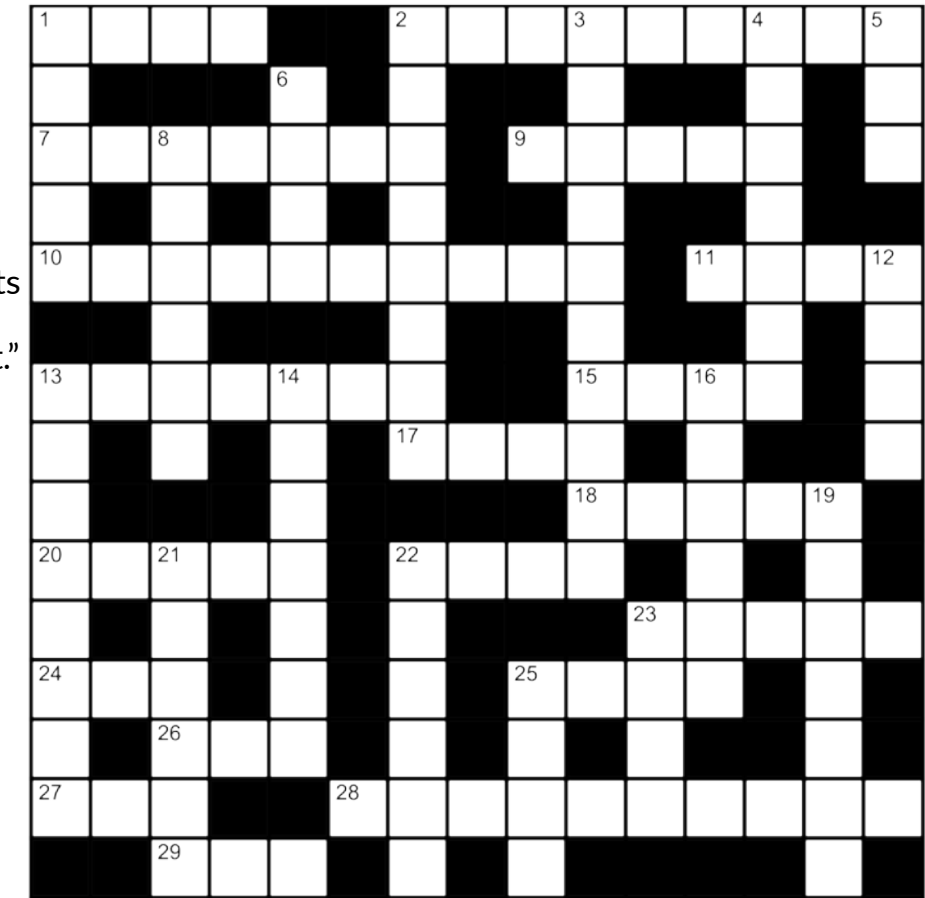

13. What's one thing you can't live without? **God's Word!**
14. What's your favorite way to relax on the weekend? **Get up and read on the Bed porch swing with my dog Dexter then ride the golf cart to the beach for a walk**
15. Who was your childhood hero? **Super woman**
16. What's one thing you can't live without? **God... God gives deeper purpose beyond the everyday routine. When everything else feels uncertain or temporary, faith in God provides direction, identity, and meaning.**
17. What's your go-to comfort food? **Soup.. I associate soup with home, parents, or grandparents – like chicken noodle soup when you had a cold or tomato soup with grilled cheese on a rainy day. Those emotional connections stick and make soup feel safe and familiar.**
18. Do you have any pets? Tell us all about them! **Dexter. Boston Terrier (Professional Snuggler, Mildly Suspicious) Don't let the adorable face and tuxedo markings fool you – this little guy is named after Dexter, the charming serial killer from the TV show. Coincidence? Maybe. Maybe not.**
19. What movie or TV show do you never get tired of, or can recite line by line? **Steel Magnolias. Clariree Belcher played by Olympia Dukakis. "If you can't say anything nice about anybody, come sit by me."**
20. What's a book you think everyone should read? **To Kill a Mockingbird....the famous quote – "You never really understand a person until you consider things from his point of view... Until you climb into his skin and walk around in it" – is a timeless call for compassion.**
21. What's the best gift you've ever recieved? **My children and grandchildren**
