

Mentor Soccer Club – Registration & Refund Policy

Travel Program

Please review carefully prior to accepting your player's spot:

Accepting a roster position is a commitment. Because spots are limited, accepting a position takes a place and opportunity away from another player. We strongly encourage purchasing the **third-party registration insurance** offered during checkout to protect your investment in the event your family's circumstances change.

- **Non-Refundable Acceptance:** Mentor Soccer Club does **not** offer refunds once a position has been accepted.
- **Why We Have This Policy:** Timely roster reporting and team declarations are strictly required by our governing leagues. These declarations carry non-refundable club fees and administrative costs that are committed immediately upon team submission.

Special Circumstances: While refunds are generally not permitted, members with extraordinary circumstances may email the Vice President directly to request special consideration. Please note that special consideration requests are reviewed on a case-by-case basis and approval is **not guaranteed**.
