

NOTICE – PUBLIC TOWN HALL MEETING

SATURDAY, MARCH 9TH @ 1:00 PM

– FORT RECOVERY HIGH SCHOOL COMMUNITY ROOM

In the Jerome & Maurice Grieshop Student Activity Building

RE: REAL ESTATE TAXES

Mayor Dave Kaup will be hosting a “Town Hall” meeting to discuss the recent increases to the real estate taxes and to answer questions about the assessment process, how taxes are calculated based on this assessment, how this affects the various recipients of this tax money and where these funds are being spent.

The following officials have confirmed their attendance: Dave Wolters, MC Treasurer; Randy Grapner, MC Auditor; Dave Buschur, MC Commissioner, Tony Stahl, FR Superintendent and FR village personnel; along with possible representation from the offices of Rep. Angie King, Sen. Matt Huffman, and US Rep. Bob Latta. Also invited are State Auditor Keith Faber and Ohio Governor Mike DeWine’s offices.

This is an informational meeting and will not be for the purpose of addressing individual bills or trying to appeal an assessed value. Our hope is that we can better understand the real estate tax process and who is the recipient of the current funds and any additional funds as real estate taxes increase. A general discussion by the officials attending will occur followed by a question-and-answer period. The process to appeal an assessed value will also be explained.

Please do us the favor of contacting the village office if you plan to attend at 419-375-2530 or email us at frinfo@fortrecovery.org to ensure that our venue is adequate to hold those planning to attend.
