Offering a simplified member experience

NYCE PPO makes it easier for you to understand and use your benefits by giving you the power of **one**.

One member ID card. You will now have a single member ID card for your medical and hospital needs that shows you are an NYCE PPO member. Remember to only use your NYCE PPO member ID card after the plan's coverage starts January 1, 2026.

One member service number. Good news! NYCE PPO will keep the GHI/CBP phone number. Just call **212-501-4444** (TTY: **711**) and our representatives will be there to support you as they always have.

One member portal. You will have a single, brand new member portal to help you get the most from your benefits. The new portal will let you see all your claims and benefit information in one place, and much more!

One mobile app. There will be an NYCE PPO app with easy, on-the-go plan information (doctors, claims, etc.) plus features like live chat and secure messaging.

Supporting you through your health journey

Through NYCE PPO, you have resources to help you manage your health that focus not only on prevention and early intervention but also on management of common and chronic conditions. These resources include support for:

- Wellness.
- Maternity.
- Case management.
- Mental/behavioral health.
