

EV Power Distribution Unit **EVENTION™**

Evention portfolio undergoes rigorous quality testing that exceeds industry standards and provides the best choice for power distribution solutions with one of the shortest lead times and the highest standards in the industry.

TECHNICAL DATA

Voltage: Up to 1000VAC

Ampacity: 800A-6000A in NEMA1; 800A- 5000A in NEMA3R

Short Circuit Rating: 65kAIC and 100kAIC

Breakers: UL489 Molded Case and/or UL1066 ICCB

Agency Listing: UL891 and cUL891

Access: Front and Rear, Side or Front Access only

Seismic: IBC 2015, CBC 2016 Certified and Tested

Utility Compliance: EUSERC Standard
