

Medium Voltage Switchgear

SLIMVAC™ AR

Built for high-risk, high-demand environments, SLIMVAC Metal Clad Switchgear delivers reliable medium voltage performance while reducing risk and supporting reliable operation.

TECHNICAL DATA

Voltage: 15kV

Ampacity: 1200- 2000A

Short Circuit Rating: Up to 31.5kAIC

Breakers: UL listed draw-out vacuum circuit breakers

Agency Listing: UL certified to the relevant sections of IEEE C37.20.2, ANSI certified metal clad switchgear

Dimensions: 24"W x 78"D x 101"H (1200A)

Dimensions: 30"W x 78"D x 101"H (2000A)

Arc Resistant Class: 2B, 0.5 sec.

Enclosure: NEMA 1
