A MESSAGE FROM THE PRESIDENT

It has been a few months since we had our well-attended Fall AGM where we announced our new Executive Board for the 2025-2026 season, but I want to ensure that the rest of the membership knows about it. Before I do, I want to share with you why I took my new role as president of the Club. On one of our road trips to a tournament this past summer, Heather and I started talking about potential members to be part of our Board of Directors for the upcoming new season. One of the questions she asked me was, if I was ready to move up to the President's role which is the natural progression for Board members to move along to from the Vice-President's position. My first reaction was "not really" as it was a scary thought for me. As the summer moved along, Heather and I were just totally swamped with the operations of the Club and ensuring nothing was falling through the cracks.

During this time, it was really easy to watch Heather first-hand trying to make our Club the #1 place to lawn bowl! My thought at that point, YES, I really do want the President's role, and YES, I really do have the same passion at the Club as Heather to make this happen. At this time, I would really like to give thanks to Heather for the work she put in and for her guidance and for laying the groundwork for attracting new members as well as retaining them.

I surely have big steps to follow. Do not get me wrong. I will still be maintaining the course that Heather has started this past season. The following is the makeup of our new Board of Directors who will be setting the groundwork for a strong continuance of our Club;

President: Mike Cyr Past President/Vice President: Heather Stubbings

Secretary: Ruth Leone Treasurer: Laurie McLorg

Member at Large: Victor Harrison

This season, the Board is creating a new Fundraising Committee headed by Laurie McLorg (treasurer) with a mandate to organize fundraising events for the Club throughout the year. We are reaching out to the membership. If anyone is interested in joining Laurie in this endeavor, please "email" Laurie at olbctreasurer@yahoo.com.

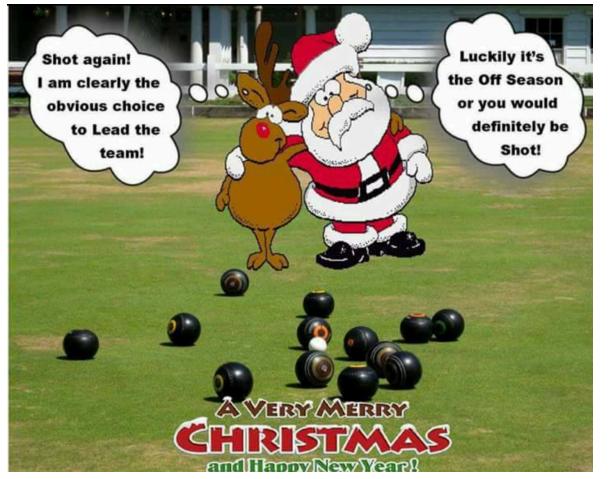

Wishing you all a very Happy Holiday and New Year and see you all next spring!

Mike Cyr
