## ***CTO - COACHES TIME OUT***

Coaching can be tough. So can marriage. The two combined are sure to put your best game plan to the test. Sometimes, you need to take a timeout. Coaches TimeOut is FCA's coaches marriage ministry designed to help coaches and spouses win where it matters most - at home.

If a timeout can change the outcome of a game, what can Coaches TimeOut do for your marriage?

Timeouts are critical for victory. Just like in competition, your marriage needs time set aside to catch your breath, evaluate where you're at and refocus on the game plan. Whether you've sacrificed your marriage for the sake of the scoreboard or you're experiencing wins at home, consider how this CTO can strengthen your marriage for whatever season of life you're in.

Surround yourself with like-minded people and learn how to deepen your relationship with your lifelong teammate. Get back to the X's and O's in marriage. Make the call today and take a timeout.

At the center of our relationship with God is our marriage. We are honored to partner with this magnificent spirit-filled facility in investing in your marriage. Our prayer for you is a deep, intimate, transparent, romantic weekend. One that will remind you of God's purpose in bringing you together as the love of each others life while at the same time giving hope to all that's ahead.
