Our Signature Event

The Big Give

is the signature event for Impact100 Metro Detroit, where we proudly award a transformative \$100,000 grant to a deserving nonprofit organization. This annual ceremony is a celebration of community impact, collaboration, and the power of collective giving by women committed to creating positive change.

Each year, nonprofits present their innovative projects to our members, who then vote to determine the grant recipient. The impactful evening not only showcases outstanding initiatives but also amplifies the voices and missions of organizations dedicated to improving the lives of people in our community.

In May 2026, we proudly celebrate 11 years of remarkable impact, surpassing *\$2 Million* in total giving since our inception!
