A Note from the Manager...

Dear Members,

I cannot believe that summer is ending, and fall is around the corner. Time is flying by, but we still have many fun and exciting things happening at the club over the coming months that you will not want to miss!

Many of these wonderful events planned are the MGA Friday Night Lights and Couples Saturday Night Fever, August 2nd and 3rd, OWGA plays days, MGA Twilight Tournament, MGA Labor Day Ringer, Seniors Golf, Tennis and Pickleball Clinics and Mixers, Live Music in the Centennial Lounge, Chef's 3 course dinners, Dive in Movie poolside, and so much more.

Reminder: With summer ending and schools back in session in early August, the pool operating hours will change beginning Tuesday, August 13th. The new pool hours are Friday's 4pm-9pm, Saturday 10am-9pm, and Sunday 10am-8pm.

The golf course continues to be in great shape and once again, I want to thank Dan Robinson and his team for their efforts to continually elevate our course to be one of the best maintained clubs in the area. I am sure you have seen Dan's newest staff member, "Otto" making his rounds around the clubhouse grounds. Otto has joined "Manny" as our team of automated mowers that we have activated to maintain the Acorn, clubhouse, and pool grounds to elevate our conditions along with limiting the impact that our large machines have on the member experience in these areas. Please do not disturb "these staff" as they perform their duties daily.

Our club dining is busier than ever and to allow our staff to provide the highest level of service possible, we kindly ask that you make reservations when you are planning to dine at the club. You may book reservations by emailing Ava Hawkins at ava@oakscountryclub.com, calling the club, or using our Oaks Club app.

We have received our member survey summary report from the McMahon Group, and we are so thankful for all the members that participated in this survey process. Your feedback is critical to ensure that as we finalize our club's strategic plan. Your input is incorporated in this to ensure both the short term and long-term viability of our great club. The feedback provided was overwhelmingly positive for our club, but also provided us with areas of opportunities to do better in creating lasting memories and an elevated level of service that all of you deserve. The management team and the Board are in the process of formulating actions plans to address immediate opportunities to improve your experiences at the club that were recognized in the survey. We look forward to you experiencing these improvements over the coming days, weeks, and months. We will also be distributing a copy of the member survey summary to all the members by mid-August.

Our membership remains strong with our golf waiting list standing at over thirty-six prospective members. Thank you to all the members that continue to refer your friends and family to the club which allows us to continue to make the necessary operational and capital improvements to the club.

Once again thank you for your continued support of our great club and I look forward to seeing you at the club soon!

Sincerely,

Justin Awtrey, General Manager/COO

NOTICE TO MEMBERS

We have observed an increasing number of incidents involving children driving motorized scooters recklessly on Oaks property. This behavior poses a significant risk to the safety of the children themselves, other members, and property. Reckless driving can lead to serious accidents causing injury to the rider and others. Irresponsible scooter use can result in damage to Oaks property and member vehicles.

To ensure the safety and well-being of everyone, we urge all members to adhere to the following guidelines:

**AVOID HIGH-SPEED RIDING. AVOID RECKLESS RIDING.
USE CAUTION WITH MOTORIZED SCOOTERS IN PARKING LOTS AND RIDE ONLY
ON DESIGNATED ROADS AVOIDING PEDESTRIAN PATHWAYS AND CART PATHS.**

**BE MINDFUL OF OTHER MEMBERS AND AVOID DRIVING IN A MANNER
WHICH COULD ENDANGER OR DISTURB OTHER MEMBERS.**

Failure to comply with these guidelines may result in a temporary or permanent ban on using motorized scooters within Oaks property.

We appreciate your cooperation in ensuring that our club remains a safe and pleasant place for everyone. If you have any questions or concerns, please do not hesitate to contact the business office.

School is back in session and so is Operation 36! Semester 3 starts this month with an exciting new class.

On Thursdays at 4:15pm, we are hosting our first girls only beginner class. For girls ages 6-8, this class is meant to be a transition for those who have graduated Birdie Basics, are beginners to golf and may feel apprehensive, or those who have tried Operation 36 before and have felt overwhelmed.

Our standard Wednesday and Sunday classes will feature a greater focus on getting the students to level up to their longer yardages. This will mean more time spent on golf course simulation and play. We will also spend some time on the Acorn addressing specific things that may be hindering students passing their levels.

SKILL POINT CHIPS

Our academy utilizes skill point chips. These chips are earned by winning competitions during class, passing skill tests, leveling up on the yardages, and more. These chips are kept throughout the semesters and turned in at the end of the year party for prizes. This is a great way to spur on competition among the kids and motivate them to be high achievers.
