NOTE FROM THE DIRECTOR OF GOLF

Dear Talisker Club Members, I began my journey with Talisker Club in late November 2024, and I cannot thank you enough for the incredibly warm welcome. Your kindness has made this one of the most special transitions I've experienced. If we haven't had the chance to meet yet, I encourage you to stop by and say hello—I look forward to being both a resource and a friend to all of you.

As we prepare for the 2025 summer season, I'm excited to share what promises to be our most dynamic golf calendar yet. Through focus groups, committee meetings and Member feedback, we've created a lineup that combines classic favorites with fresh opportunities. This season is set to be unforgettable!

This guide offers a full overview of the season's events, activities and policies. Please take a moment to review the details, as several updates have been made. If you have any questions, don't hesitate to reach out.

Our signature events—The Hastings, Twin Feathers, Floating Feather and Talisker Club Championship—are returning, joined by exciting new additions like monthly events at The Ridge Short Course. Other highlights include The Fall Classic and '98, adding even more variety to our calendar. The O'Meara Cup also returns with an exciting twist. Meanwhile, instructional programs and junior golf opportunities will continue to evolve to meet the needs of our growing Membership.

This year, we're also focusing on a few key areas: reducing no-shows, improving pace of play, and reinforcing our dress code. You'll also notice our golf professional staff playing more rounds with Members throughout the season, enhancing the overall experience.

While some of our updated policies may feel a bit more structured, they're designed to improve the golf experience for everyone. My ultimate goal is to make Talisker Club feel like home—a place where friendships are built and memories are made. I encourage you to embrace the season, meet someone new, join an event, participate in a clinic, and most importantly, enjoy your time on the course.

Thank you for being part of what makes Talisker Club so special. Let's make 2025 an incredible season together.

THE RIDGE SHORT COURSE

The Ridge Short Course & Putting Park

The Ridge is designed to provide a fun and accessible experience for players of all skill levels. It features a distinctive 9-hole par 3 course, an 18-hole putting park, and stunning views from both the course and the pavilion.

As a walkable course, The Ridge offers lightweight “Sunday” bags from The Ridge Golf Shop to carry a few clubs and balls comfortably. Carts are allowed only on the maintenance path and are not permitted on the course. The course operates in a relaxed, family-friendly environment with no tee times required. Play is on a first-come, first-served basis. Use the golf ball “Regulator” to secure your spot in line.

New for 2025, “Smidge at The Ridge” brings a casual, lighthearted competition every other Friday evening. **For more details, see page 50**

Dress Code at The Ridge:

The Ridge embraces a casual dress code, encouraging comfortable clothing suitable for sports and outdoor recreation. All attire should be neat, clean, and appropriate for a family-friendly environment. Swimsuits and revealing clothing are not permitted. All shoes must have soft soles to prevent damage to the turfgrass.

Playing Parameters:

- All golfers must check-in and register at The Ridge Golf Shop before beginning play.
- Players should choose their teeing area from anywhere on the designated tee boxes for the hole being played.
- Groups are limited to four (4) people or fewer. The Golf Team reserves the right to allow fivesomes on a limited basis.
- Beverage coolers are not permitted on the course unless provided by the Club.
- Mobile phones and speakers should be used in a manner that is not disruptive to other players on the course or the surrounding residences.
- All players are expected to care for the course by raking bunkers after use and repairing all ball marks on putting greens.
- It is the responsibility of each group to keep pace with the group ahead. Please allow faster players to play through.
- Carts (when allowed) must remain on the maintenance path.
- Practice play is strictly prohibited on The Ridge Short Course.
- All pets are strictly prohibited.

LIGHTNING POLICY

If weather conditions at the Club ever pose a risk of injury or become life-threatening, we strongly urge everyone to take personal responsibility by seeking shelter in a building or vehicle.

Our golf course is also equipped with a state-of-the-art lightning detection system. It is essential that all Members and guests adhere to the Club's policies when lightning warnings are issued.

Procedures During Lightning Warnings:

Audible Alarm: When lightning is detected, the system will emit a loud alarm (multiple blasts). At this time, all individuals are required to immediately seek shelter.

GPS Notifications: Additional alerts will be sent to the golf cart GPS systems. Upon receiving these notifications, Please proceed to the nearest shelter without delay.

All-Clear Signal: The system will monitor lightning activity continuously. Once 30 minutes have passed without a lightning strike, an all-clear horn will sound, (*One long continuous blast*) signaling it is safe to resume activities. Golfers returning to their positions will have priority on the course. Please return to where you last left off on the golf course. Do not skip holes, or cut off other groups.

Important Reminder:

Talisker Club staff do not have the authority to override the system warnings. Please be aware that, in the unlikely event that warnings are not heard or seen, it remains the responsibility of each individual to seek shelter during inclement weather.

GOLF COURSE ACCESS

Walking on the golf course is only permitted when the course is closed or prior to play. When temperatures are below 40 degrees, it is especially important to refrain from walking on turf grass as frost damage can occur. Bicycling or any other form of personal transportation is not permitted on the golf course.

Fishing on the golf course lakes is restricted to when the course is closed, prior to play, or when permissible by the Golf Shop. Single barbless hooks and catch and release are required.

Dogs or any other pets, with the exception of service dogs, are not permitted on Club property at any time except in designated areas. Current designated areas include Moondance Park, the tennis lawn, the south lawn of the Clubhouse and outside the south Tower patio. Dogs or other pets must be on leash at all times, and it is the responsibility of the owner to pick up after them.

HANDICAP INFORMATION

Member Handicaps

In order to be eligible to play in Club events using handicaps, each of our golf Members must maintain a USGA handicap. Please see the Professional Staff to ensure you are signed up for a USGA handicap. Having a USGA handicap makes the game of golf more enjoyable by enabling players of all abilities to compete on an equal basis. To ensure equitable competitions in our Club events, we are making enhancements as to how Member scores are posted and tracked.

The Professional Staff will monitor the posting of Member scores at Talisker Club. The Professional Staff reserves the right to take further actions against habitual offenders up to and including posting penalty scores and limiting participation in Club-run events.

Members will have multiple options to post scores:

1. Post your score on www.ghin.com from your personal computer or tablet.
2. Post your score by utilizing the GHIN mobile app for your smartphone.

Unfinished Holes and Conceded Strokes

A player who starts, but does not finish a hole or conceded a stroke, must record for handicap purposes, the most likely score that they would have made. If a player does not play a hole, the score recorded for that hole for handicap purposes must be par plus any handicap strokes the player is entitled to receive on that hole.

Maximum Score to Post

The maximum hole score for each player to post for handicap purposes will be limited to a Net Double Bogey. The calculation is simple: $\text{Par} + 2 + \text{any handicap strokes you receive on that hole}$. Net Double Bogey Max is an effective method to use when your score will not count on a specific hole. IE Team competitions: If you are "out" of the hole please pick up and record your net double bogey max score for the hole.

Handicap Committee

New for 2025, our Talisker Club Handicap Committee will keep close eyes on handicapping club-wide. It has become apparent that starting this committee is necessary to keep club events fair for every player. Each Talisker Club Member should be properly posting every score, and inflated handicaps will not be tolerated. Handicaps and accurate posting will be monitored weekly by the committee. If you have been suspected or caught falsifying your handicap, you'll be banned from any Talisker Club competition for the year. We take handicapping very serious in protecting our membership and reputation of our Club.

HANDICAPS & TOURNAMENTS

Members who wish to participate in Club-sanctioned competitions must have a valid GHIN number for WHS Handicap purposes.

Talisker Club will use max course handicaps to be used in tournaments/playdays

Men: 26 Women: 36

Partner Events (Member/Member, Member/Guests (both Men's and Ladies), and Four-Ball Match Play will have a maximum 10 stroke differential in handicaps between partners. The higher handicap index will be adjusted down accordingly.

In the event of a tie, unless otherwise stated in the rules sheet, the USGA recommendation for breaking the tie using the scorecard will be utilized: Last nine hole total, Last six hole total, Last three hole total, and then last hole total.

Registration for weekly events (Ladies Day, Men's Tee it Up, and Couples) will close at 12:00pm, two days prior to the event. Late registrations will be accommodated on a space available basis only.

Cancellations after the registration deadline may result in associated event charges. Majors and Member/Guests have a registration deadline/waitlist policy in force.

Pace of Play in Tournaments will be monitored. If your group is out of position, you may be asked to move to the next tee box and halve the hole.

Talisker Club "Rule of 85" - If your age combined with your handicap index exceed 85, you have the option to move up to the Uinta Tees (Blue/Green Combo). Please advise the Golf Shop staff when registering for an event if you intend to utilize the Talisker Club "Rule of 85".

Local Rules

USGA Rules govern all play except where modified by the following local rules:

- Penalty Areas are defined by red stakes and lines
- Out-of-bounds is defined by cart paths, white stakes, and lines
- Model Local Rule E-5 (Alternative to Stroke-and-Distance Relief for lost Ball or ball Out-of- Bounds) is in effect for daily play. Please consult each tournaments rules sheet to determine if E-5 is in play.

PACE OF PLAY

It has become apparent that pace of play is a growing issue at Talisker Club. For the 2025 season, here's what you can expect.

Our "pace of play" target at Talisker Club is 4 hours and 10 minutes for 18 holes, 2 hours and five minutes or less for 9 holes and 1 hour or less for the first 5 holes. Our targets are achievable for golfers of any ability by learning to play "READY GOLF". Your position is determined by the group in front of you, not the groups behind you. We all want to respect each other's time, here are a few simple tips to help you speed up:

- If someone in your group is slow, bring it to their attention, and help them speed up
- Practice "READY GOLF" at all times. Players should be ready to play as soon as it is their turn. Prepare for your shots while others are playing their shots.
- If you hit your drive into the bushes or high desert area, please hit a provisional and keep moving. Additionally, you can use the E5 rule for taking a drop with a two stroke penalty.
- Take multiple clubs to the tee on all Par 3s as well as your laser/range finders to be prepared.
- Mark down scores on the NEXT teeing ground while your playing partners are hitting.
- If you've searched for your ball for three minutes, call it lost and move on. If it's not here, keep it in gear—when it's gone, it's gone!
- When two players are in a cart, drive to the first ball and drop off the player with their choice of clubs. The second player should proceed in the cart to their ball. After the first player hits, he/she should walk toward the cart as the second player is hitting.
- On the tee, pay attention to your partner's shots so that you can best direct them to the proper location.
- When waiting on the tee for the group in front of you to clear, let the short hitter in your group go ahead and play if he/she cannot reach the group in front of you, regardless of the tee played.
- Begin lining up putts as soon as you reach the green. Don't wait to read your putt until it's your turn.
- While on the green, please observe the "Continuous Putting" method. Allowing each player to finish out putting regardless of position. This eliminates time used to mark and realign putts.

Warnings and Enforcement:

The Golf Staff has full authority to enforce pace of play on the golf course. This may include moving groups to open holes to appropriately space gaps between groups. Your cooperation is appreciated!

- If your group is talked to about falling off pace, it is your responsibility to catch the group ahead of you within the next hole.
- If pace has not been corrected, you will be required to skip the hole. We hope to never arrive at this answer, but we do want it to be known that we take our pace very seriously.
- It is very rare that allowing a group to play through speeds up play. Do not use this method unless advised by the golf team.

****Note, if you have been asked to skip a hole, it will be noted. If any member is asked to skip a hole three times during the course of the season, they'll be suspended from playing in any tournaments or golf events for the season.****

- The flag will be checked out on a per round basis.
- Golf carts with handicap flags should stay at least 10 yards from all tee boxes.
- Begin to veer around greens when 25 yards away.
- When approaching greens, golf carts should always stay to the side where the cart path runs or flattest area of turf.
- Golf carts should stay on the path on all Par 3's.
- Please do not drive golf carts through the fescue or native grass.

The Golf Shop reserves the right to restrict access off the cart paths to all golf carts due to course conditions and or weather.

USGA TEE SELECTOR

USGA “BEST TEE’S” Program

With good shots on most holes, golfers are in the vicinity of the putting green without constantly using longer clubs on approach shots, giving more opportunities for pars and some chances for a birdie!! Not to mention your pace of play can improve significantly!

What tee is best for you? Please consult the infographic here based on 7 iron distance. Can't remember your tee? Don't worry, you'll find this chart on the 1st tee all season long.

Total 7 Iron distance (carry & roll yardage)	Tees
120 or less	Red Cloud
120 - 130	Wastach
130 - 140	Jordanelle
145 - 150	Uinta
155 - 165	Tuhaye
170 - 175	Timpanogos
180 - 190	Empire
Pro Only	O'Meara

HOLE-IN-ONE CLUB

A Member may be added or removed from the Hole-in-One Club at any time upon request by the Member. All Members who sign up will be charged \$10 per hole-in-one occurrence on the corresponding monthly statement.

A verified hole-in-one must conform to the following guidelines:

- Occur on the Mark O'Meara Signature Course
- The hole-in-one must be witnessed by at least one other Talisker Club Member playing in the same group.
- Only the first ball hit from the teeing ground is official. Mulligans, provisional balls and shots affected by penalty strokes do not count.
- A hole-in-one on a temporary green is not official
- The shot must occur on a day that the golf course is officially open.

If any questions arise as to the validity of a hole-in-one, the decision of the Director of Golf is final.

When a Member of the Hole-In-One Club scores a valid hole-in-one, each Member of the Hole-in-One Club will be billed \$10 to their monthly statement.

The payout to the Member who scored the hole-in-one is as follows:

- Funds to be applied to the Member Credit Book account in the Golf Shop.
- A custom Talisker Club Hole-In-One Gift.

Example:

There are 200 Hole-In-One Club Members: $200 \times \$10 = \2000 . The \$2,000 is added to the Member's Golf Shop Credit Book account for purchases in the Golf Shop.
