A Note from the Manager...

Dear Members,

Now that fall has arrived, and we are seeing the beautiful fall foliage around the club and the weather is perfect to take advantage of all the club has to offer.

Thank you to all the members that attended our annual Spooktacular that saw over 480 members big and small attend. We hope everyone enjoyed it as much as we did! There are many more events on the calendar in November and December that you do not want to miss. These include but are not limited to MGA Superintendent Revenge Golf Tournament, Grand Wine Tasting, Member Town Hall Meeting, Thanksgiving Brunch, Ladies Nights, Live Music in the Centennial Lounge, Family Cookie Decorating Night, and so much more.

Our club dining is busier than ever and to allow our staff to provide the highest level of service possible, we kindly ask that you make reservations when you are planning to dine at the club. You may book reservations by using our Club App or website: www.oakscountryclub.com or by emailing Ava Hawkins: ava@oakscountryclub.com.

Chef Anthony and his team are working diligently on new dining concepts for the winter months by creative dining experiences that we are excited to introduce very soon. He and his team are also finalizing our new winter menu that will launch in January which will bring new and exciting items that are sure to be a hit! As always, if you have any dietary restrictions, please reach out to Chef Anthony and he will work intently to accommodate your needs.

As part of our ongoing strategic planning, we are looking forward to hosting a Member Town Hall Meeting on November 21st at 6:00 pm to review our planning process with Oaks members and gain addition feedback as we finalize our club's strategic plan. This will be open to all members, and we hope that you will join us and be a part of this historic process that will continue to guide our club for the coming decades.

Our membership remains strong with our golf waiting list standing at over thirty-nine prospective members. Thank you to all the members that continue to refer your friends and family to the club. A strong membership allows us to continue to make the necessary operational and capital improvements to Oaks!

Once again thank you for your continued support of our great club and I look forward to seeing you at the club soon!

Sincerely,

Justin Awtrey, General Manager/COO

Court Availability

The tennis and pickleball courts are being used more often with the variety of new programming being offered at Oaks. These events as well as private lessons have priority over casual play. So that you are not disappointed when you arrive and a court is not available, please check the Club Locker website for court availability. Simply visit <https://oaksccpickleball.clublocker.com/login> and create an account to be able to see court availability.

At this time, the club tennis/pickleball pro, Liz Bacon, is the only one able to make court reservations for her clinics and privates only. If the courts are not reserved on Club Locker, then they are available on a first-come, first-served basis.
