A Note from the Manager...

Dear Members,

October has arrived and that means our wonderful Oklahoma fall weather is here and it is a fantastic time to enjoy the club.

With great fall weather upon us it has never been a better time to take advantage of all the club has to offer. This includes but is not limited to fantastic golf, including the Acorn, Senior's golf, Couples golf, OWGA events throughout the month, Tennis and Pickleball leagues, Round Robins, and Clinics, Live Music Night in the Centennial, our annual Halloween Spooktacular, and so much more.

Oaks dining is busier than ever and to allow our staff to provide the highest level of service possible, we kindly ask that you make reservations when you are planning to dine at the club. You may book reservations by using our Club App or emailing Ava Hawkins at ava@oakscountryclub.com.

The new fall menu has arrived, and Chef Anthony and his team are continuing to look at new and innovative things to bring to the club for our members enjoyment. The new menu has a number of new vegetarian and gluten free options for our members. As always, if you have any dietary restrictions, please reach out to Chef Anthony and he will work diligently to accommodate all your needs.

Member feedback is critical as we work diligently in improving our member dining experience and I am pleased to announce that our new Member survey system at the club will officially launch in October. This survey system will automatically send surveys based on usage at the club. Thank you in advance for providing feedback through this system to help us to improve your experience at the club.

The Board, strategic planning committee, and the club management team are working on our strategic plan and will be hosting our strategic planning consultant for Board meetings very soon. As part of this process, we are looking forward to hosting a member town hall meeting on November 21st at 6:00 pm to review our Strategic planning process with the Members and gain addition feedback from the members as we finalize our club's strategic plan. Please keep an eye out for further information on this meeting in the near future.

Our membership remains strong with our golf waiting list standing at over thirty-nine prospective members. Thank you to all the members that continue to refer your friends and family to the club that allows us to continue to make the necessary operational and capital improvements to the club.

Once again thank you for your continued support of our great club and I look forward to seeing you at the Oaks soon!

Sincerely,

Justin Awtrey, General Manager/COO

The club will be closed
October 3rd & 4th
