# Dr Kevin Gordon Tant

14<sup>th</sup> November 1952 - 11<sup>th</sup> June 2025

The Sanctuary, Bunurong Memorial Park

Friday 20<sup>th</sup> June 2025

## Kevin Tant – a.k.a Nev – In His Own Words

**Favourite Food** – Beer – oh isn't that one of the essential food groups?

**Favourite Singer** – Bit sensitive about disclosing this since my self-esteem took a battering when my car was broken into and all the b-ds left behind was my entire CD selection!

**Favourite Unsung Hero** – Red Pennell – I owe him so much for caring and for what he taught me about life

**Most Over-rated Celebrity** – What page of the Financial Review is that?

**Best School Moment** – Changing schools half way through the year and finding they were doing the syllabus the other way round – a very cushy repeat!

**When I was little I wanted to** – Count lots of money – (made flat to stack).

**Now I am grown up I want to** – Retire to armchair sport and beer drinking; rising only to overload the grandkids with red cordial and lollies as they leave to go home! (Avoids completing the section on Best Revenge).

**Best Job** – Being a dad (if there is a section to complete about worst paid job then this applies to that one also). In fact you actually have to pay to do this job and the duties often involve being fleeced so one of the skills developed involve an affinity with sheep!

**What I would like to be remembered for** – Being the guy who was so generous that he even let his kids change his own name.

**What I know for sure** – Intelligent steps get you to the destination if you have the trust and strength to hang on.
