Celebrating

THE LIFE OF

WILLIAM HAROLD FREDERICK LUKE

24 MAY 1937 ~ 9 OCTOBER 2026

God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace be thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

Tribute To My Brother Bill

by loving sister Helen

To all of us be near or afar,
Can look back to those days that were and are,
Once lived and recounted, remembering clear
Those stories so well Bill did us tell to hear
Of the early days all relatives he knew well,
Gone joined others to count they now do dwell
Rest in peace my Brother Dear
Our lives so blessed while you were here.
You shall never be forgotten
By the many of us torn
Saying Farewell this last time
We celebrate your life and morn.

Peace now Dear Brother of Mine
Fly high that heavenly place
Peace now be yours with Gwen
By your side into the loving
Hands joining in God's holy grace.
