OCTOBER 2026

MOH Meal Packing Party

Saturday, October 17 | 9:00 am

On October 17, we will partner with Mission of Hope to pack 40,000 life-changing meals for vulnerable children in Haiti. These meals do more than satisfy hunger—they help open the door for children to receive an education, experience a brighter future, and hear the life-changing message of the Gospel.

We need your help to make all 40,000 meals possible! Our goal is to raise \$14,000, and we are currently one-third of the way funded. That means we still need our church family to come together over the next several weeks to provide the remaining funds necessary for this event. Every gift, large or small, moves us closer to our goal:

\$0.35 provides one meal

\$76 sponsors one box of meals

\$1,000 sponsors an entire packing station

To give, write "MOH Meals" on your offering envelope or select the Mission of Hope Meals option when giving online.

You can also partner with us by praying for the event, the volunteers who will serve, and the children and families in Haiti who will receive these meals. And, of course, we need volunteers! There is a place for everyone, including packers, station leaders, loaders, children's activity leaders, greeters, and check-in assistants.

Please register so we can prepare enough supplies and serving stations for the day. Help us finish the job!

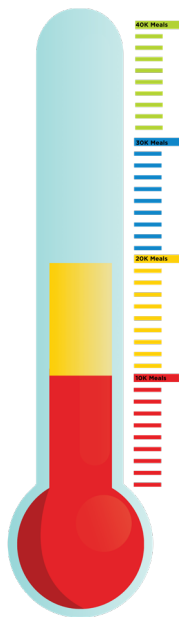

Treat & Meet

October 31

Halloween is the perfect opportunity to meet your neighbors because everyone is already out and connecting! As families, children, and neighbors stop by your home, consider using those brief moments to introduce yourself, learn a name, and strengthen the sense of community where God has placed you. Small acts of kindness can open doors to deeper relationships over time.

Want to add a little extra fun and encouragement to your Halloween outreach? Stop by the atrium anytime in October to pick up cups and cards that can help spark conversation and make your interaction even more memorable. You'll find additional resources on Church Center.

Let's use Halloween as more than just a night for treats. Together we can take meaningful steps toward welcoming our neighbors, fostering community, and creating opportunities for people to experience God's love and, ultimately, discover a deeper relationship with Him.

November 13-14

At this year's conference, we will learn to recognize the ideas and worldviews that can mislead us and how to think clearly and confidently about what is true. This year's focus, Reality, will tackle challenges involving rival worldviews, technology, the exclusivity of Jesus, and more.

This is a great opportunity for students to strengthen their faith and be equipped to confidently engage the questions and challenges they encounter every day. Don't miss this chance to grow in your understanding of God's truth and learn how to stand firm in your faith!

Cost is \$90 and space is limited. Register today!
