St. Augustine Hymnal: 915

Quote of the Week

"Yes, I know all the excuses. I know that one can worship the Creator and dedicate oneself to good living in a grove of trees, or by a running brook, or in one's own house, just as well as in church. But I also know as a matter of cold fact the average man does not thus worship or thus dedicate himself. If he stays away from church he does not spend his time in good works or in lofty meditation. He looks over the colored supplement of the newspaper."

~Teddy Roosevelt

Fifteenth Sunday
in Ordinary Time

The seed sown on rich soil is the one who hears the word and understands it, who indeed bears fruit and yields a hundred or sixty or thirtyfold."

A Parish Picnic

On Wednesday June 24th we had a barbeque/picnic at All Saints as a going away party for Fr. Francis. Many people brought food and desserts and enjoyed a perfect-weather evening in the nice backyard of All Saints Church. Fr. Francis gave a little speech and Fr. John Paul gave two. Not pictured here were Lavern Martin, Mary Rousseau, and Cathy Simon.

Whitehorse had a going away party on Sunday June 28 with bingo and food. And Dupree held a going away supper after Mass on Saturday June 27. Thank you all from Fr. Francis.

I took some of his remaining belongings to Rapid City last week and checked out his new kicks. His new accommodations are pretty classy, but not as good as ours. But since this is not a contest, I won't get into the scoring analysis. I think they declined from entering a contest because they knew they didn't stand a chance. They did have more snacks available, but by the time I left they had less than we have, so we kind of won on that count too. Anyway, back to the Gospel message for the week:

JESUS LOVES YOU

15th Sunday in Ordinary Time

Under the huge oak tree in the yard, my 5-year-old niece was shocked to discover that the huge tree had begun as a small acorn, just like one of many she found on the ground. She could not believe that something so large began as something so small.

Crowds of people wanted to hear what Jesus had to say. When He taught, Jesus used parables to explain spiritual realities that are difficult to grasp. But their everyday experiences provided vivid images to explain things they could not see. Seed needs good soil to grow; so does the Word of God need good soil—us—for it to grow.

People will often express a desire to have greater faith or trust in God. Somehow more is better and even necessary for it to 'work.' Looking for ways to find more faith, people will overlook the fact that what they have is enough. Prayer, practice and patience will allow the seeds of faith to grow, becoming stronger and deeper each day. Then, one day we can say with Paul, that I no longer live, but Christ lives in me.
