*Spirituality without a prayer life is no spirituality at all, and it will not last beyond the first defeats. Prayer is an opening of the self so that the Word of God can break in and make us new. Prayer **unmasks**. Prayer **converts**. Prayer **impels**. Prayer **sustains** us on the way. Pray for the grace it will take to continue what you would like to quit. ~ Joan Chittister*

The secretary at our school is a computer wizard, explaining the inner workings of word processors, spreadsheets and accounting programs to the confused and the lost! When asked how she knew so much, she said that she always read the directions and all the information she could find online. Even though she knew the programs, she was always reviewing, learning something new or discovering a new way of using the computer to make her job better.

As the early Church community was growing, St. Paul reminds Timothy that the Scriptures are the source of wisdom. They lead us to faith in Jesus and to salvation. They are the directions of faith that teach us the ways of God. Follow Him and He will lead us to the life of Heaven. In word and deed, all of the baptized are called to preach the Gospel, teaching the truth of the Gospel as we support and help one another. That's what it means to be a member of the community of faith.

We all need a refresher course in faith from time to time. Reviewing the basics, learning more about Scripture, deepening our understanding of the sacraments or discovering something about our history can renew our sense of connection, our dedication to our mission and an appreciation of who we are as a community of faith. There is always something new to learn, or something to remember, or a new level of understanding to achieve that will help us explain, defend or grow our faith. Sometimes it just pays to read—and reread—the directions!

OCTOBER IS THE MONTH OF THE HOLY ROSARY

You can never pray the Rosary too much!!! Here is a wonderful (FREE) prayer app that I have started using and really enjoying. It makes praying the Rosary so peaceful and easy. I know it is late in the month but consider starting a new habit to pray the holy Rosary daily using this app. It is called, simply, Amen.
