- BOSTON UNIVERSITY
- STONEHILL COLLEGE
- WHEATON COLLEGE

Sullivan Tire & Auto Service and the Sullivan Family have been helping to raise funds to provide financial assistance to Boys & Girls Clubs of Metro South's members, staff, and alumni since 2015 in amounts ranging from \$500-\$5,000 in an effort to place higher education within reach for those who might not otherwise have the opportunity to attend college. Funds are raised through our annual **Holiday Party for Kids** events.

MEET A SULLIVAN TIRE & AUTO SERVICE SCHOLARSHIP RECIPIENT!

Our Club youth are full of promise and possibility, and we are determined to do whatever it takes to meet their needs, support their dreams, and set them on the path to success. The academic success of our members and their pursuits of great futures starts by recognizing that finances are often the greatest barrier standing between our kids and a college education.

MARIAH BROWN

MARIAH BROWN PICTURED AT OUR 2021 SCHOLARSHIP NIGHT WHERE SHE RECEIVED A SULLIVAN TIRE & AUTO SERVICE ALUMNI SCHOLARSHIP!

Mariah Brown is a proud BGCMS alum, former Youth of the Year (2017), and a Sullivan Tire & Auto Service Scholarship recipient! In 2019, she took the stage to share her Club story at our annual Gala Auction event.

Mariah Brown

\$ 1,000

Following in her older sister Makayla's footsteps, Mariah became our 2017 Youth of the Year, and after graduating from Brockton High School in 2018, she enrolled for undergraduate studies at UMass Lowell. In May of 2022, Mariah graduated with a Bachelor of Arts in Psychology and a double minor in both Criminal Justice and Education! During her time at UMass Lowell, Mariah volunteered at her campus COVID testing site and managed their "River Hawk Rising" program, which provided virtual academic services to students throughout the pandemic!

Thanks to the impact of BGCMS and the skills she developed while serving as Youth of the Year, Mariah left UMass Lowell with strong connections to professors, students, directors, and advisors. Those connections allowed Mariah to continue her educational journey at Boston University, where she is currently enrolled in a dual Master's/PhD program studying special education with a focus on moderate disabilities in pre-K through 8th grade. Mariah also works closely alongside the director of the special education program at Wheelock College in her research while serving as a paraprofessional at a local elementary school.

Mariah's immediate plans are to earn her Master's degree from BU and complete the necessary licenses to become a teacher and eventually a principal or superintendent. Looking ahead, Mariah is determined to realize her dream of earning her PhD and going on to study, create, and implement new programs and policies that will improve the life of young people, just as Boys & Girls Clubs of Metro South has for her.

Mariah serves as a shining example of what a vision, hard work, and determination can achieve! Together, Mariah and her sister Makayla have been awarded nearly \$9,000 in Sullivan Tire & Auto Service scholarships!
