

BOYS & GIRLS CLUBS
OF METRO SOUTH

Change the Game. Change their Future.

Game Changers for Boys & Girls Club of Metro South are part of a unique group of community leaders dedicated to making a difference in the lives of the youth who need us most by ensuring that the resources they need are available today and in the future. By making a three-year plan to support our critical work, Game Changers provide long-term financial stability for our organization and allow us to create and implement innovative operating models that ensure our Clubs will be able to serve youth for generations to come.

As a Game Changer, we invite you to designate your gift, should you so choose, to support an aspect of our mission that means the most to you and your family! You can, of course, continue to give to our **Great Futures Annual Campaign** and allow us the greatest flexibility to direct your investment to where it's needed most, but we also invite you to allocate your gift towards any of three areas of critical need and impact for our Clubs:

- **Basic Needs:** Nutrition & Dignity for All – *Kids Café, family food pantry, hygiene products, etc.*
- **Social Services:** Mental & Emotional Well-Being – *behavioral health and development programs*
- **Future Readiness:** Preparing for Great Futures – *teen life and workforce development programs*

THANK YOU FOR PLEDGING TO HELP CHANGE THE GAME!

Your three-year commitment will ensure that the nearly 2,500 youth ages 5-18 who attend our before and after-school, weekend, and summer camp enrichment programs each year will continue to have opportunities to learn, play, and forge new friendships in supportive, nurturing, safe, positive, and consistent environments as they grow into the leaders of tomorrow!

Beginning with the 2025-2026 school year, annual memberships to Boys & Girls Clubs of Metro South are FREE to all youth ages 5-18! We couldn't be more proud of this history-making commitment to our boys and girls, but in reality, it costs more than \$2,000/year per child to deliver our life-changing operations and programs. Your steadfast support helps us to close that gap and provides financial stability for our Clubs.

Your gift as a Game Changer provides absolutely critical general operating funds, which help to cover our ongoing occupancy expenses and operating costs, as well as capacity-building investments to ensure high-quality, life-changing programs.

The support, partnership, and generosity that Boys & Girls Clubs of Metro South receives from our closest friends and Club family like you help ensure that we can continue to serve the youth in our communities today, tomorrow, and for years to come! Thank you!
