

A Message from Our Director

What an exciting fall it has been for Omaha United! As I look back on the past few months, I'm incredibly proud of our players, coaches, and families and everything we have accomplished together. From competing in the ECNL-RL and NYSL to traveling to tournaments throughout the region, our teams have had the opportunity to play against strong competition and continue challenging themselves.

Being part of the ECNL-RL has been an exciting step for our club and has given our teams the opportunity to compete at a high level against some of the best clubs in the region. Our teams have embraced the challenge, shown up ready to compete, and represented Omaha United extremely well.

Our teams also continued to compete in NYSL, along with numerous out-of-town tournaments throughout the fall. From Kansas City and Topeka to Minnesota, South Dakota, Iowa, and other surrounding areas, our players have traveled, competed, and created experiences that go far beyond the soccer field. These opportunities allow our players to experience different styles of play, face new challenges, and continue growing both as players and teammates.

We are proud of the way our teams have competed throughout the fall. We have celebrated championships and finalists, but we also recognize that development is about much more than the final score. There have been great moments, challenging moments, and plenty of lessons along the way. Those experiences are what help us continue to grow.

There are also areas where we know we can get better. We will continue to learn from every game, every tournament, and every training session and use those experiences to help our players and teams improve. We are never satisfied with simply where we are — we are always looking for ways to get better.

I want to give a special thank you to our coaches for their incredible time and commitment to their teams. The countless hours spent preparing training sessions, traveling to games and tournaments, communicating with families, and supporting our players does not go unnoticed. Our coaches are such an important part of what makes Omaha United special, and we truly appreciate everything they do.

To our players — thank you for showing up, working hard, competing, and representing our club with pride. And to our families, thank you for the miles traveled, the early mornings, the long tournament weekends, and the continued support you give your players and our club.

We have a lot to be proud of, but we also know there is so much more ahead. We are excited to continue growing, improving, and getting better together. Our focus will always remain on player development and creating opportunities for our players to compete, learn, build confidence, and love the game.

Thank you for being part of Omaha United and for believing in what we are building together.

Jose Vargas

Tournament Success!

Over the past month, our Omaha United teams have been competing in tournaments and showcasing their hard work, dedication, and passion for the game!

We are excited to recognize all of our outstanding teams and celebrate their achievements throughout these tournaments. From championship victories to impressive performances and valuable learning experiences, our players continue to demonstrate what it means to be United.

Congratulations to all our teams on their accomplishments! We are proud of the effort, teamwork, and determination you bring to the field. Keep working hard, keep growing, and keep representing Omaha United with pride!
