EXCITING NEWS!
OMAHA UNITED
IS NOW PARTNERING WITH
ELKHORN TRAINING CAMP
FOR OUR INDOOR FACILITY

UNITED AS ONE
— ONE TEAM — ONE HEART —

ETC ELKHORN
TRAINING CAMP

Omaha United Soccer Club is excited to announce our partnership with Elkhorn Training Camp!

We are thrilled to partner with such a great indoor training facility that will provide our teams with valuable opportunities to train, develop, and continue growing throughout the winter months.

Nebraska weather can make outdoor training challenging, but this partnership will give our players a consistent place to stay on the field and continue developing when outdoor conditions don't cooperate.

But this partnership is about more than just having a place to train!

Elkhorn Training Camp will also provide our athletes with opportunities to work on speed, agility, athletic movement, and overall physical development — helping them become more complete, confident, and well-rounded athletes.

At Omaha United, we believe development doesn't stop when the weather changes. This partnership allows us to continue building players, building confidence, and building the future all year long.

Tournament Success!

🏆 A Weekend of Competition, Growth & Success for Omaha United! 🏆

It was a fantastic tournament weekend for several Omaha United teams as our players competed across two different events and continued to **compete, develop, and grow together!**

🏆 Pinnacle Bank Cup

Our teams had an outstanding weekend at the **Pinnacle Bank Cup**, with three teams making deep runs:

🏆 U10 Boys Black — CHAMPIONS!

Playing **up an age group**, our U10 Boys Black showed incredible confidence, competitiveness, and determination throughout the tournament. A championship while playing a year up is a tremendous accomplishment!

🏆 U9 Boys Black — CHAMPIONS!

The U9 Boys Black battled through the weekend and finished on top, bringing home the championship trophy after an excellent tournament!

🏆 U11 Boys Black — FINALISTS!

The U11 Boys Black put together a strong weekend and advanced all the way to the championship game, finishing as tournament finalists. A great showing from the boys!

🌐 Omaha United Hosts Another ECNL-RL Weekend! 🌐

Omaha United was proud to host another weekend of ECNL-RL competition on September 19–20, welcoming Sporting Blue Valley and KC Athletics to Omaha.

Our teams competed hard throughout the weekend and showed tremendous growth, determination, and competitiveness against quality opposition.

Every game provided our players and coaches with valuable opportunities to learn and improve. We saw many positive moments across the weekend, while also identifying areas where each team can continue to grow and improve.

These weekends are about more than just the results. They are about challenging our players, learning from every game, and continuing to develop as individuals and teams.

We are proud of the way our teams competed and look forward to building on this weekend as we continue through the ECNL-RL season!

Navigating Nebraska Weather

September certainly gave us a challenge, with an incredible amount of rain making it one of the wettest Septembers in recent history. Here in Nebraska, we never quite know what kind of weather each day will bring!

We are extremely grateful that Omaha United was able to secure multiple turf fields and indoor training facilities throughout the month. Having these options allowed our teams to continue training, developing, and improving even when outdoor fields were unavailable.

We want to give a special thank you to all of our Omaha United families for your continued flexibility, patience, and understanding as we navigated the many schedule and location changes throughout September.

Our priority is always to keep our players training and developing while making sure they are safe. While the weather may not always cooperate, our commitment to our players and their development never changes.

Thank you for being flexible and trusting us as we work through the unpredictable Nebraska weather. We are excited to keep moving forward and making the most of every opportunity to train, compete, and grow together!
