SHALOM MINISTRIES INTERNATIONAL

Raising Ambassadors! Equipping Leaders! Furthering the Kingdom!

The Vision: At Shalom Ministries International (SMI), we believe that mission is not a department—it is our identity. Since 2018, we have been a missional community where every believer is called to be a missionary and an ambassador for Christ.

Our Core Commitment: We are ever-vigilant in our pursuit of those who do not yet know Jesus. Our goal is simple: to stand before our Creator one day and hear the words, “Well done, good and faithful servant.”

How We Partner: We don’t just provide aid; we provide transformation. SMI collaborates with Christian organizations in the U.S. and abroad to build sustainable, high-impact ministry models.

What We Offer Our Partners: We equip your leaders with Strong Christian Competencies through:

- Biblical Training & Christian Education: Deepening the "Knowing."
- Pastoral Counseling: Strengthening the "Mindset."
- Mission Programs & Interventions: sharpening the "Doing."
- Community Leadership: Enhancing the "Living."

The Invitation: The harvest is plentiful, and the time is now. We are looking for strategic partners who are ready to further God’s Kingdom through collaborative mission projects.

Will you join us?
