To ensure your security deposit is refunded to you, please make sure the following items are completed and the following lease rules are adhered to.

*These items are in your lease as well, but we wanted to take some time to explain in detail some of the things we have issues with when completing move out inspections.*

## **HOUSE RULES AS PER THE LEASE AND COMMON MISTAKES MADE BY TENANTS. A GUIDE TO HELP WITH THE MOVE OUT PROCESS.**

### **PATCHING AND PAINTING:**

- 1) You are not allowed to patch/paint any walls. If you changed the color of any walls, we will hold you responsible for putting the home back not its original state (unless written permission is given and the stipulation of such agreement is stated in your lease or through other written permission formats). If you install Velcro or sticky hooks, do not remove them. If you have not properly installed them or unsure of how to uninstall them, it will tear the sheetrock paper/paint and you will be charged for the area(s) that is damaged. Often times people think they are supposed to patch/paint, when in fact we view damage individually based on normal wear and tear and what is allowed and not allowed, including reviewing what was there and what was not there, etc. Any walls found to have excessive damage that does not fall under normal wear and tear and will be repaired at the and charged to the tenant. EXAMPLE OF NORMAL WEAR & TEAR: light smudging, small picture nails or hooks that are not in excess in one area, light scuff marks not in excess.
- 2) Do not remove sheetrock anchors if you install them. Your lease states you are not permitted to install them. We realize that televisions will be mounted, but you will be held responsible for repairing that area.

**PETS:**

- 1) Pet damage. If you are found to have an unauthorized pet in the home, we will charge an unauthorized pet fee as per the lease, as well as any clean up, flea and tick treatment, odor removal, and any damages caused by the unauthorized pet. The best approach is to ask permission and pay the pet fee set forth by the homeowner and add the pet to the lease.
- 2) You must spray for fleas and ticks if you have a pet and provide a receipt on the INTERIOR of the home. If the yard is found to be infested, then we will also charge for treatment of the yard. Regardless, if your pet is given monthly treatments, you are still required to adhere to the lease and treat the home for fleas and ticks upon vacating.
- 3) If your pet causes damage (chew marks, scratches, urine damage, broken blinds, etc.) an estimate will be obtained, and all the the damaged items will be repaired against your security deposit. Odor and stain removal may also be charged if the home smells heavily of any pet odor or other odor or is stained of any pet stains or other stains. Most common damage is chewed window seals, exterior siding or damaged flooring.

**CHARGES ON UNAHTORIZED ITEMS:**

- 1) NO SMOKING OF ANY KIND IS PERMITTED INSIDE THE HOME! We will charge for odor removal in addition to the \$1,000.00 charge for unauthorized smoking as per your lease. **This is not negotiable.**
- 2) Unauthorized pets charge is \$500.00.
- 3) If any infestation of pests is found in the home, with the exception of rodents, you will be held responsible for treatment until the problem is resolved. You will also be held responsible for the clean up after treatments.

**LAWN MAINTENANCE:**

- 1) Lawn Maintenance is to include freshly cut lawn, edged and weeds removed where needed, and the flower beds sprayed for weeds. All debris from fire pits (if permitted on the property), limbs, straw, leaves, trash must all be removed prior to returning to us.
- 2) You are NOT permitted to be parking on the grass, putting up a pool, parking a boat, RV or any other item in the yard or on the grass unless written authorization is given and you restore the lawn to the condition at renting the property, including no ruts in the lawn, no bare ground, you must re-sod or reseed any bare areas. During the move out, if any of this is found, we will repair the areas in question, and this will be charged back to you.
