

Minors Photograph and Video Consent Form

FAMILY NAME

From time to time, pictures and video may be taken of minor children at ministry events and gatherings. We would like to be able to use these photographs and videos for flyers, parish, school, and diocesan publications, and the ministry website. Written consent of both the minor child and parent/guardian is required.

I/We, the parent(s)/guardian(s) named below, of the child(ren) named below, authorize and give full consent, without limitation or reservation, to Holy Apostles Pastorate to publish any photograph or video in which my child appears while participating in any program or event associated with the Pastorate. There will be no compensation for use of any photograph or video at the time of publication or in the future. I understand names will not be posted unless written authorization is given by the minor child and parent/guardian, and then only first names will be used. I understand if there are concerns about pictures or videos posted on the website, I may contact the ministry coordinator or webmaster, and they will be promptly removed. I understand this consent is valid for one year. I understand I may rescind my permission to use my child's image in writing to the Pastorate. I also understand that it may not be possible to recall any photos or videos that may have been published prior to the receipt of my written rescission.
