President – Tracy Chalk

Whilst settling in to right this COVID season's report I could help but reflect on the nature of our season.

Should we have done anything differently?

Was there anything more Executive and I could have done?

Hindsight as they say has 20/20 vision-but no all I could really think of was how proud I am to be President of this Association. We started our "rep year" for our young players in good faith.

We met the challenges of technology- how good was it to see everyone at the Zoom meeting. Members, supporters and friends embraced the QR code.

We as a team-association and member execs worked so well to be as so inclusive for members to maximise both quality and quantity of play.

It wasn't easy to tell our families of supporters that they couldn't see the kids play but your coaches, managers and parents stepped up to make sure their team still took the court in the best possible mind set. Your players are a credit to you all.

To the all our volunteers I am aware what a season of mixed feeling. The Executive know you have spent innumerable hours of consideration, and then reconsidering and implementing when changes occurred. All in the best interest of our game.

The Season cannot close without an individual acknowledgment to Suzy Nuttall her professionalism and expertise steered us successfully through the many demands of COVID requirements to ensure a full and healthy season.

So at the end of this "COVID Season" please take time to realise that you successfully came together and redefined "normal" to provide and support a season that closed with maximum turnout on our final medal day, farewelling our players ten minutes after their final whistle with a smile and a donut!

I cannot speak highly enough of you all - a heartfelt Thank you.

But wait.....I couldn't possibly close off without a huge CONGRATULATIONS to our Metro league team including their Coach Manager, fitness trainer, primary carer and bench officials. (An additional congratulation to Vicki Turner for her National bench accreditation too!)

Division 3 Premiers - what a great accomplishment.

We look forward to acknowledging them in 2021 when they lead our march past into our 2021 Season.

In closing I wish all the very best for an enjoyable holiday season.

More than ever stay safe and I look forward to seeing you courtside this year or next.

Tracy

Vice President & Acting Rep Convenor – Viv Bertenshaw

What an intense year due to the Covid 19 Virus.

Fortunately, HCNA were able to run a short competition with the Netball NSW backing. We were always advised by Netball NSW as to the next steps to take and any new restrictions from the Department of Health for Community Sport.

It was great to see both Senior and Junior players enjoying the game of netball during this crisis.

Behind the scenes there were a lot of restrictions to be put into place before even taking the court. Well done to all executive for playing their part to make our season a success.

Lights - All clubs put their schedules in early this year and I was able to book lights in with Sports Council without any problems, thank you to all those involved.

Net Set Go Skills - Unfortunately we were not able to hold our program due to all the restrictions, one including being at the courts 10 minutes before the program and leaving the courts 10 minutes afterwards. Hopefully 2021 will be a better season! Please go away Covid.

Representative Convenor - Once again I had to take over this role from Adrian after he became ill. After organizing all our teams – 2x11yrs, 2x12yrs, 2x13yrs, 2x14yrs, 15yrs and 17yrs to play in at least 4 - 6 carnivals Associations began withdrawing them due to all the restrictions that they would have to upkeep. Then Netball NSW along with the Department of Health decided to cancel Senior and Junior State Titles due to the massive numbers of people involved in Community Sport.

With no carnivals or State Titles our Representative Committee along with our President Tracy decided to cancel our Representative Season.

Our Coaches, fitness coaches, managers, umpires and players had put in a lot of work during this season and it was so disappointing for everyone including me!!!

2021 will see all those players, coaches, managers return to start the season all over again.

Metro League division 3.... CONGRATULATIONS on winning the Grand Final girls. Watch out division 2 here they come. A special mention must go to coach Michele, manager Angela, Fitness trainer Mandy, primary carer Vicki and bench official Les. We are looking to build our Metro League teams up by adding a junior team in 2021. Trials will commence on 4/11/20 at 7pm at the Indoor Stadium.

Stay Safe Everyone during this Pandemic

Viv

Vice President – Heather Smith

This year has been a learning experience for us all. Fortunately we have a strong Executive Committee at Hawkesbury City Netball Association who have led the way.

In March as soon as it was realised we were experiencing a pandemic, plans were formed with the view to undertaking a different 2020 netball season.

Information was gathered from all clubs and as soon as the government announced a loosening of restrictions we were able to put our plans into action and commence the season immediately.

Our Registrar Judy Burns solved each problem as it cropped up and backed by Tracy, Vicki, Les, Jason, Sue, Viv, Prudie and myself it was possible for all our members to enjoy a successful season.

Unfortunately our Junior and Senior Representative players were unable to contest at State level however we hope this will be rectified in 2021.

However our congratulations go to our Metro League team who were successful winning their Grand Final game against Liverpool City in Division 3. Congratulations to Michele Murphy (Coach) Mandy Mulherin (Fitness) Angela Piccoli (Manager) Vicki Turner (Primary Carer) and Les Turner (Bench Official)

This year we were able to hold an Intermediate Accreditation day and four (4) more Hawkesbury coaches were upgraded - Darren Cook, Monique Hodder, Di Smith and Michele Murphy congratulations! Next season I will be chasing all our coaches to upgrade their Accreditation especially new coaches- all our coaches should hold a current Foundation Accreditation and Working with Children registration.

Clubs now have time to rebuild their teams and the foundation of a successful Association is our Clubs and our "grass roots" players. We have experienced a new way of running our season and I know the best of these ideas will be used in our 2021 season.

Heather

Secretary - Vicki Turner

What can I say - 2020 was a very interesting and challenging season.

We were all set to commence our season in March and then Covid 19 put all our plans on hold.

We were constantly receiving communications from NNSW with updates from the Health Department which we sent through to the clubs

When we were allowed to commence playing we had to appoint a Covid Coordinator – Suzy Nuttall and make a Covid Safety Plan that we had to follow rigidly.

State Titles were cancelled due to the restrictions – which was very sad for our Rep teams.

Our Metro team were able to compete under stringent restrictions and they competed in Division 3 and they finished first which was an amazing result. I was privileged to be involved with this team again as Primary Carer.

I have to thank all Club Executive for all their hard work and assistance to get season 2020 up and running. It was an amazing effort trying to get teams on the courts.

To my fellow HCNA Executive, Tracy, Viv, Les, Judy, Heather, Sue, Prudence and Jason thank you for all the zoom meetings, emails, texts and phone calls that we had to make this season work.

I was once again the netball representative on Hawkesbury Sports Council which I have been on since 2011 and this year was a trying time for them also.

I wish you all a wonderful festive season. Please stay safe and well and I look forward to seeing you all in 2021.

Thank you to all the clubs for their flexibility this season and their willingness to move teams around to give players the best competitions.

Huge thank you to Jason for all his help with regrading divisions. Having junior divisions 1 to 8 allowed for more movement between grades and hopefully will provide good information for grading next year.

Looking forward for a “normal” competition in 2021

Judy

Technical Services Officer - Jason Baker

Where do I start! 2020 has been that year that no one will forget any time soon. From Bushfires late 2019 / early 2020, to excessive rain and flooding in early 2020 to COVID19 hitting the world, crippling many industries and businesses as well as impacting participation in sport.

For not knowing if we would ever get the season off the ground, it put a lot of pressure on all Club and Association volunteers to formulate and comply with COVID safety plans. To keep up to date with NSW Health guidelines, and ultimately ensure that everyone stayed safe, and practiced Social Distancing, Sanatising and all the other measures to ensure that we got through our modified 2020 COVID Season.

Special thanks to Suzy Nutall our COVID Convenor who volunteered her time to the association to ensure that everyone got to participate each week. I would also like to acknowledge the HCNA Executive members who all worked hard to ensure that the 2020 season got off the ground.

Congratulations to all our netball club executives who worked hard to keep their members engaged during the lockdown, it was great to see some clubs having team videos posted online to keep up morale and motivation as well as the many other ZOOM meetings that teams held together.

Congratulations and well done to our Metro League team this year who won their Grand Final in extra time. What an achievement! I hope many other members consider taking up the challenge to represent HCNA at Metro league in 2021 to continue with the growth and success the team has had in 2020.

I hope everyone enjoys the well-earned break for the rest of the year and I hope to see you all around the courts for a full 2021 season.

Yours in Sport,

Jason Baker

Social Media Officer – Prudence Cullen

HCNA has faced many obstacles putting on a competition this year, facing lockdown, restrictions and the current circumstances of the world. Thankfully, due the hard work and dutifulness of executive and the determination, good spirit and cooperation of all clubs, players and executives we were able to play a great season with only minor changes. Due to the digital nature of the world and covid restriction, we have been reliant on our digital platforms this year to keep everyone up to date and informed as efficiently as possible with the most correct information.

From a social media perspective, we have taken a step back from instagram this year, a platform that is predominately visual and celebratory to favour our Facebook page and website. We experienced a huge increase this year in likes/followers, shares, clicks and engagement. We are reaching more people than we ever have previously online and on more than just covid posts and experiencing great online engagement and enquiries.

I would like to thank the clubs for being so proactive on posts and sharing them around for maximum coverage. I would also like the thank the other members of executive with access to the page who have been diligent in checking page notifications and assisting with answers to comments and messages.

I look forward to the 2021 season next year and hope to build our social and online presence both further and on a broader level.

Thank You,

Prudence.
