Division 2 – In 4th position after 9 rounds when Competition cancelled due to Covid

President – Tracy Chalk

Well.....considering we played a shortened season this year time has seemed to pass very quickly. Not sure if you feel the same but with the introduction of the new digital registration system and Christmas approaching, I imagine your club volunteer engines are in overdrive.

We continue to cope and progress through this pandemic with a view to staying positive for this game we love. I thought that 2020 tested us but 2021 continued to challenge us in so many ways. Whether it has been in our netball framework or in our daily lives the Executive and I take the opportunity of this report and the Annual General Meeting to formally congratulate all club executives and their members in continuing to support our game.

This year I have included access to the presentation given at the NSW November meeting. It's 81 slides in total so there is most likely something that may interest you or your members. It provides insight into the promotion of true diversity for our game and the initiatives that are proposed or being undertaken to progress further in this most competitive environment. It also provides some insight into what is being done to attract and keep members.

I don't wish to steal the thunder of my fellow executive when I know they will have given serious consideration to their individual reports, although I do need to acknowledge the support they have provided through out the year. My heartfelt thanks to Vivienne, Heather, Les, Vicki, Mary, Judy and Jason. I will be very pleased to welcome Jason to the Vice President role this year and acknowledge the skills I know he will build upon in this role. I am understanding but saddened to know that this vacancy is due to the retirement of our wonderful executive member of many years Vivienne Bertenshaw. Try as I may to change her mind, she has decided not to stand in 2022. Vivienne's service is beyond note in this report and I hope you will join us in future for a formal acknowledgement of her contribution to Hawkesbury City Netball over many years of service. Fortunately, that combined life member and caring grandmother status should ensure we see her at the courts for some time yet.

Rest assured your executive continues to work in your interest and we are looking forward to the new year competition as preliminary to next years season. A preliminary draft competition is under preparation and also hope that you will look to use it as a grading tool as well. Like the warmth of February, the competition provided will aim to be relaxed and inclusive. Fees will be supported through your members existing registration so please give serious consideration to entering. Our treasurer will also look to share a further positive proposal to encourage our membership.

Representative netball, selection, umpiring and administration are all rising to the challenge for 2022 after the last 2 seasons I believe there is no challenge too great to meet. Details will be forthcoming very soon. The fact that all clubs will receive

competition acknowledgements of merit at our meeting is testament to this. Plus a proposal to welcome a new club! Congratulations to all.

You all make our association a great place to belong, and our numbers will tell their own story next season but we look ahead with great optimism for a joyous holiday season and the return of friends and family for the 2022 season.

Stay safe and best wishes

Vice President – Viv Bertenshaw

Our season was off to a good start after battling through 2020, then along came the Hawkesbury Floods causing wide spread damage and the Delta Strain of Covid!!!
THE VIRUS.

I was so excited when Mary Woodhouse accepted the position as Representative Convenor on Hawkesbury Executive. We worked really well together and Mary quickly picked up on all aspects of running the Representative teams.

Emily Dunn also became our new fitness trainer and was a great asset for all of our representative players. Well done Emily.

Although our season only lasted for 9 weeks, we were able to watch our 15s and 17s compete in the NSW Senior State Titles. Our junior reps attended 4 carnivals but weren't able to go to NSW Junior State Titles due to all the Covid restrictions.

Eventually all Community Sport was cancelled putting an end to what was going to be a great season.

Our lights, when we were able to access them, weren't a problem. Thank you to all clubs and Sports Council.

I felt sorry for Lorelle, our Canteen Manager, as she didn't really know what to order or when to order it with all that was going on. Well Lorelle, you were always there when needed. Thank you.

I know that during this Lockdown period everyone has been finding their own way (including Executive) of coping and communicating with each other.

Thank you to everyone who has been double vaccinated or nearly!! Maybe 2022 will be a great year for you all.

Viv Bertenshaw

Vice President – Heather Smith

We have all missed our 2021 season of Netball! However, we can look forward to a new and exciting season in 2022.

Congratulations to Pitt/ Town Oakville who used a government grant to reimburse all Coaches who gained their Accreditations during the past season. I do urge coaches

especially if you are involved with Junior teams to undertake your Foundation Accreditation before the commencement of 2022 season.

Commiserations to our Metro League team who after winning Division 3 Premiership in 2020 were upgraded to Division 2 lost their first 2 games and then won their next 5 games bringing them into 4th position - when the competition was called to a halt due to COVID.

I also take this opportunity to congratulate Michele Murphy on the announcement of being awarded Senior Coach Award for 2021.

Nominations for Coaches, Managers and players for Metro League and Representative are being organised by your Executive and announcements will soon be made soon for 2022 season.

Netball NSW have announced that Hart Junior State Title will be held on 2nd – 4th July 2022 and we all hope this will come to fruition as some of our Rep. players have undergone 2 years of frustration due to COVID 19.

Heather Smith

Secretary - Vicki Turner

After the craziness of 2020 we all looked forward to a **normal** 2021 season – well that did not happen.

First we had floods that impacted our district and affected many people and then we commenced our season in April and that was abruptly halted and then cancelled after 9 weeks when Covid hit again.

Seniors State Titles did go ahead over the June long weekend and both our 15's and 17's performed well. Junior State Titles for our 12's, 13's and 14's were postponed and then sadly cancelled also.

Our Metro Team was in Division 2 this season and were in 4th position on the ladder when the season was cancelled. I had the privilege of being Primary Carer again this year which I enjoy.

This year I also benched on Premier League which was a great honor and something I love doing.

I have to thank all Club Executive for all their hard work and assistance during season 2021. You took all the issues we faced in your stride.

To my fellow HCNA Executive, Tracy, Viv, Les, Judy, Heather, Sue, Mary and Jason thank you for all the zoom meetings, emails, texts and phone calls that we had again after the cancellation of our season.

I was once again the netball representative on Hawkesbury Sports Council which I have been on since 2011 and it has been a very trying year for all sports in the Hawkesbury area.

I wish you all a wonderful festive season. Please stay safe and well and I look forward to seeing you all in 2022 and fingers crossed it will be a full season.

Once again, our season has been greatly affected by COVID 19 and it was disappointing that competition stopped at week 10. The Executive felt as two thirds of the season had been played it was reasonable to award premiers and runners up as per the ladders. As always it was difficult to grade our junior teams to provide the most equitable competition for all players and it is important that we remain flexible in regrading teams when it is obvious there is a great difference in ability.

Judy

Representative Convenor – Mary Woodhouse

Firstly, a massive thank you to HCNA executive for giving me the opportunity to get involved this year, I thoroughly enjoyed the season. It was fantastic to see all the teams bonding, training hard and developing together as a team. The growth in many teams and individuals observed over the season was truly heart-warming and inspiring to see. To our fantastic sponsors, Kings Mitre 10, Lynch Contractors, O'Neill Physio and Rent2Own Sydney West, thank you very much for your support,

your support has presented our rep program with sponsorship shirts which will be awarded at presentation due to covid delays.

I would like to congratulate and thank the exec, our rep players, coaches, managers, parents and all the support crew in the background for all your hard work to get the session off the ground and in full swing. There were many challenges throughout the season, with the first carnival being cancelled due to flooding and torrential rain, many training sessions cancelled due to wet weather and carnivals proving difficult to source for many age groups due to global pandemic and covid restrictions. Nevertheless, I couldn't thank you all enough for your continued and ongoing support, your resilience to many changes (some last minute) as your commitment to the rep program is acknowledged and appreciated.

Season overview:

- Season commenced early Feb
- Fitness followed two weeks later
- All teams had nominated for four carnivals – not all were successful
- HCNA carnival
- Parents night for all ages, with Jenny and the team as guest speakers
- Onboarded sponsors – Kings Mitre 10, Lynch Contractors, O'Neill Physio, Rent2Own Sydney West
- 2 x Panthers Clinics • Team photos
- Senior Send off Night
- Junior Send off Night held at the Richmond Panthers
- And, Seniors State Titles Unfortunately, the season was cut short with Junior State Titles initially being postponed and eventually cancelled with many disappointed faces.

Again, congratulations to all involved, I hope you all enjoyed the season. Looking forward to watching you all train, play, mentor, coach and grow next year.

Mary

Technical Services Officer - Jason Baker

This year the season started off very strong, but unfortunately didn't end the way we all had expected.

I would like to thank all the club MyNetball Administrators for being on top of Registrations and Team submissions into the portal this year. At the end of 2021, MyNetball will be retired and in 2022 we will start to use a new web system called PlayHQ.

Clubs may have already started to receive notifications on training sessions that Netball NSW is holding to help people make the change.

Please also know that the new change will remove the websites for all Netball Clubs. Hawkesbury City Netball Association will be utilising more of social media as we move into 2022.

We do have a new website where we will also post relevant information but it's great to see that a high percent of our membership base all can view our Facebook page for information as well.

I hope that we all stay safe and can't wait until we all get back into a full season of Netball in 2022.
