What is bullying?

Bullying can be: Emotional – being unfriendly, excluding (emotionally and physically) sending hurtful text messages, tormenting, (e.g. hiding football boots/shin guards, threatening gestures) Physical pushing, kicking, hitting, punching or any use of violence Racist – racial taunts, graffiti, gestures Sexual – unwanted physical contact or sexually abusive comments Homophobic – because of, or focusing on the issues of sexuality Verbal – name-calling, sarcasm, spreading rumours, teasing.

Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Individuals who are bullying need to learn different ways of behaving. The impact upon a child or young person can be devastating and in some cases effect all aspects of their life, in extreme circumstances it can lead to suicide threats. This club has a responsibility to respond promptly and effectively to issue of bullying.

Objectives of this policy

All club members, coaches, officials and parent/carers should have an understanding of what bullying is All club members, officials and coaching staff should know what the Club policy is on bullying and follow it when bullying is reported. All players and parents/carers should know what the Club policy is on bullying and what they should do if bullying arises. As a club we take bullying seriously. Players and parents/carers should be assured that they would be supported when bullying is reported. Bullying will not be tolerated.

Signs and indicators

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child: says he or she is being bullied is unwilling to go to the club sessions becomes withdrawn anxious, or lacking in confidence feels ill before training sessions comes home with clothes torn or training equipment damaged has possessions go 'missing' asks for money or starts stealing money (to pay the bully) has unexplained cuts or bruises is frightened to say what is wrong gives improbable excuses for any of the above

In more extreme cases: starts stammering, cries themselves to sleep at night or has nightmares becomes aggressive, disruptive or unreasonable is bullying other children or siblings stops eating attempts or threatens suicide or runs away.

These signs and behaviours may indicate other problems, but bullying should be considered a possibility and investigated.

Procedures

Report bullying incidents to the Club Welfare Officer (CWO) or a member of the clubs committee or contact the County FA Child Protection Officer (CPO). In cases of serious bullying, the incidents will be referred to the County FA CPO for advice and possibly to the FA Case Management System. Parents should be informed and will be asked to come to a meeting to discuss the problem if necessary and appropriate, the Police will be consulted. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly An attempt will be made to help the bully (bullies) change their behaviour. If mediation fails and the bullying is seen to continue the club will initiate a Code of Conduct disciplinary action under the club constitution.

Recommended club action

If the club decides it is appropriate for them to deal with the situation, they should follow the procedure outlined below. Reconciliation by getting the parties together. It may be that a genuine apology solves the problem. If this fails/it is not appropriate, a small panel (Three members) (made up from the Club Committee) should meet with the parent/carer and child alleging bullying to get details of the allegations. Minutes should be taken for clarity which should be agreed as a true account. The same three members should meet with the alleged bully and parents/carer and put the incident raised to them answer and give their view of the allegation. Minutes should be taken for clarity which should be agreed as a true account. If bullying has in their view taken place, the individual should be warned and put on notice of further action i.e. temporary or permanent suspension if the bullying continues. Consideration should be given as to whether a reconciliation meeting between parties is appropriate at this time. In some cases the parent/carer of the bully or bullied player can be asked to attend training sessions, if they are able to do so, and if appropriate. The club committee should monitor the situation for a given period to ensure the bullying is not being repeated. All coaches involved with both individuals should be made aware of the concerns and outcome of the process i.e. the warning.

In the case of adults reported to be bullying anyone within the club under 18

The County FA CPO should always be informed and will advise on action to be taken where appropriate. It is anticipated that in most cases where the allegation is made regarding a team manager, official or coach. The FA's Child Protection and Best Practice awareness training may be recommended. More serious cases may be referred to the Police and/or Social Services.
