

Associate Artist - Julia Keenan

Having graduated in 2015 with a BA Hons Degree in Fine Art Keenan has continued to push and develop her practise. She was selected by her University to represent them in the Contemporary Visual Arts Network 'Platform' programme 2015 at ASPEX Gallery. Her solo show was developed during the summer after her Graduation at the invitation of the Cultural Programme Curator at The James Hockey and Foyer Gallery. 'Vermilion Hue' was shown in the Autumn of 2015. She was funded by the Recent Graduate Bursary awarded by her University.

Keenan has collaborated with the Whipple Museum in Cambridge and the results of her project with them 'Strange Chimera' was shown in the museum as part of Cambridge University's Science Festival 2017. The culmination was an artist talk delivered within the Museum as part of the Festival programme, kindly funded by University of Cambridge Museums.
