

Associate Artist - Tony Spencer

Through my artwork I investigate our human connection to metaphysics and the sacred. I produce multi-sensory sculptures and immersive installations to connect the viewer to symbols, ancestral wisdom and a reflection on true self. Psychologist Carl Jung describes this as accessing the unconscious mind and collective unconscious. I collaborate with other artists to support a social contribution to visual arts through experimentation and inclusive production.

Education

MA Gallery Studies, University of Newcastle upon Tyne, UK

BA (HONS) Fine Art Sculpture, Northumbria University Newcastle, UK

Awards
