FREE PAPIER MÂCHÉ WORKSHOPS

Paddock for England

Build your own papier mâché horse, reflecting your personality, and lead it into our Paddock for England. Every horse joins the community herd, shown as an installation in the Chapel.

Kate Mieczkowska has shared her artist takeover week at Chapel Arts Studios with Maddy and Chris Dobson of Art Shack, Cowes, the beginning of an artists' exchange with the Isle of Wight. Come and learn about horses and their colours.
