SNOWFLAKE MASS MAKE

Make a snowflake for Winter Aglow

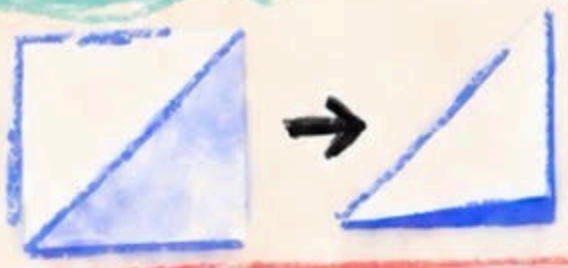

Use recycled paper or light card

Fold, snip, unfold, every snowflake is different

Try old envelopes, magazines, wrapping paper, maps, sheet music or maths books

DROP OFF AT THE CHAPEL

St Mary's Chapel,
St Mary's Cemetery,
New Street,
Andover, SP10 1DP

If we're closed, post your snowflakes in our Christmas post box.

DROP OFF BY: 1st December 2026

SNOWFLAKE FACTS

- Real snow crystals usually have six sides.
- Each snowflake grows in its own journey through cold, damp air.
- Many snow crystals are tiny; some join together as they fall.

All the snowflakes will become part of a magical winter installation at Chapel Arts Studios.
