Our story...

Welcome to Hotel McCoy College Station,
where history and creativity collide.

You are standing in what was once known as the Ponderosa. The Ponderosa Motor Inn opened in 1971 as a motorlodge with a restaurant, meeting rooms, and a private members-only club (*oooh-la-la*). Back in those days, South College Station wasn't the hubbub it is now (and if you don't think it is a hubbub now, you should have seen it back then!).

There is something magical in the knowing of history. Just imagine the intrigue and allure of that private club. Who once stayed in this room? *Dignitaries? Cowboys*? *Barbara Mandrell*? We like to think so.

Amidst this rich history, one thing remains constant - the hospitality that reigned supreme at the Ponderosa. As Hotel McCoy, we proudly carry on this legacy, offering Poker Chips and Kindness Rates while we usher in a new era of Travel for All.

Enjoy all three acres of magic here in Aggieland
and thank you so much for being our guest.

Our Little Shop

FUN STUFF YOU PROBABLY NEED

Take a little piece of College Station back to your friends and family. Since you can't exactly bring our giant Rubik's Cube home with you (it wouldn't fit in your luggage, and we would be so very sad), go ahead and peruse Our Little Shop, your one-stop for all things tchotchke.

Dolly Arcade

As you head to the courtyard, on your way out of the lobby, look to your left. Behind that door is the Dolly Arcade. Inside, some of our favorite retro arcade games, all free-play. Let your inner-child run wild (or your actual children, if you brought any with you).

Bar & Bites

IN THE LOBBY

Beer Wine Cocktails

WELCOME! BAR HOURS: 10AM-11PM

What is the libation situation here? Boy howdy, let us tell you. Hotel McCoy College Station is a local watering hole through and through. The craft beer and wine on tap are drafted right here in Bryan-College Station (with the exception of Lone Star because it's illegal* to operate a bar in Texas without Lone Star on tap). And the beer in cans and bottles of booze- those are Made in Texas too.

Cocktails, mocktails, mimosas, and floats - we've got it all. Belly up to the bar or take your drink poolside; the choice is yours.

While we're happy to pour you a bourbon neat or whip up a mezcal treat, we are just as delighted to make your day with an alcohol-free option. From a classic Dr. Pepper to a flavorful root beer, we've got the best drink list in town.

Hungry? Same, always. Peruse through the Big Tex Snack Bar to keep your stomach from growling.

*Just joking (our legal team wants to make that clear)

Fun Drinks

Dr. Pepper
Texas Tea
Dublin Soda
Waterloo
Topo Chico
Energy Drinks

& More!

Sweet Tooth Snacks

Churros, pickles, BBQ sauce, chips, & cookies. Our snack selection is top notch.

ART

Every piece of art you see,
from the murals to the in-room paintings,

WAS CREATED BY A LOCAL TEXAS ARTIST

Art is a powerful language. It can make us feel, unlock emotions, and connect us to places and moments in time that have long passed. Through the mural-covered walls, art-filled lobby gallery, scattered one-of-a-kind exhibits, and creative pieces adorning your room, you will feel the heartbeat of this little city. Art is not just a feature; it is the foundation of Hotel McCoy.

MURALS

Hotel McCoy College Station is home to 16 murals (with more to come), each one painted by a muralist who calls Texas home or has stayed with us through our Artist Residency program. These works of art cover our exterior and some of our guest room walls. We love to see our walls through your eyes. If you post on social, be sure to tag @hotelmccoy and the artist.

ART PROGRAM

If a work of art comes off the wall, it's for sale. Hotel McCoy is a living art gallery, your room and the lobby function as exhibit space. Unlike traditional art galleries, our program is commission-free. The local artist who brought the piece to life sets the price and retains 100% of the proceeds.

ARTIST RESIDENCY

Not all who wander are lost. In fact, many of them are artists looking to stopover in College Station for a bit. If you would like to apply for an Artist Residency, please reach out to hello@hotelmccoy.com. Ranging from one to four weeks, we have hosted muralists, writers, musicians, painters, and poets through this unique program.

CHILI, BBQ, BRISKET, DR. PEPPER, & QUESO - LET'S GO CHECKOUT SOME OF OUR FAVORITE LOCAL RESTAURANTS

1775 Texas Pit Barbeque

10 MILES FROM HOTEL MCCOY

11775txbbq.com

1775 is open Thursday, Friday, and Saturday from 11am 'til they sell out. Get it while the gettin' is good. Using the finest Goodstock cuts of beef, 1775 is hailed as one of the best BBQ stops in the state of Texas - so much so they were featured on the Texas Bucket List. Veteran and family owned, you can count on being served by one of the Doans when you stop by. You can order ahead online, but be sure to do so before 10am, per Pitmaster Brad Doan.

Primrose Path Wine Bar

6 MILES FROM HOTEL MCCOY

primrosepathwinebar.com

Oh, you fancy, huh? Actually, yes, you are and we are too. This is our Creative team's favorite place to celebrate, well, anything. The wine list is out of this world and if you just can't decide, you don't have to, Primrose Path offers wine by the half glass. The beer selection is pretty special, and the cocktails crafted with care. Food is served tapas style to share and you best not leave without dessert because it is dee-lectable.

Wings 'N More Restaurant & Bar

3-10 MILES (there's a few of them 'round here)

wingsnmore.com

Wings 'N More has been serving up award-winning wings here in Bryan-College Station since 1986. With nearly forty years of practice, you can bet on these wings being finger-licking good. But wait - there's more. They've got ribs, chicken fried steak, quesadillas, and dranks served up in mason jars. Fun foodie fact: Wings 'N More was founded by retired NFL player Mark Dennard (Miami Dolphins and Philadelphia Eagles).

Mi Familia Coco Loco

LITERALLY STEPS AWAY

When you're this good, you don't need a website

If we were stranded on a desert island and could take only three things with us, one of them would be the salsa from Mi Familia Coco Loco, our neighbors and longtime College Station eatery. Family-owned and operated for over twenty years with strong Mexican roots and traditions, they proudly serve Mexican and Texan food with a homemade cooking style, using 100% fresh products and traditional food preparation. Open 6am everyday, we highly suggest treating yourself to the Coco Loco Lunch Buffet.

Napa Flats Wood-fired Kitchen

3 MILES FROM HOTEL MCCOY

napaflats.com/collegestation

Wood-fired pizza, fish, and steak served up with fresh salads, soups, and delicious pasta dishes. Napa Flats has hosted many a Bryan-College Station celebration. For dessert, it has gotta be gelato. In case you can't tell, the folks behind Napa Flats have brought a little taste of California and Italy to Texas, and we thank them for that. Be sure to say hi to the manager, Tony!

The Dixie Chicken

5 MILES (there's a few of them 'round here)

dixiechicken.com

Walking through The Dixie Chicken doors is a right of passage. Located smack dab across from campus, they've been serving up Aggies since 1974. Boasting great food and cold drinks, you can order up a burger, chicken strips, and fries with a side of queso and salsa if you please. And if the phrases Chicken Foot, Matador, Muggins, or Texas 42 mean something to you, you'll feel right at home at The Dixie Chicken.

A local's guide To Bryan-College Station ADVENTURE!

Prime Bees Honey Farm

9 MILES FROM HOTEL MCCOY

With over 2,000 colonies and a commitment to sustainable beekeeping, Prime Bees is *buzzy* (sorry, can't help our selves) raising queens, making nucs for beekeepers, and hosting agritourism activities.

Paddleboarding at Lake Bryan

16 MILES FROM HOTEL MCCOY

lakebryan.com

Rent a kayak or paddle board and try on lake life for size. Prefer to enjoy the water from the shore? That works too, as Lake Bryan is stocked with largemouth bass, crappies, sunfish, and catfish for your fishing pleasure.

Cap Contributing at Bottlecap Alley

7 MILES FROM HOTEL MCCOY

bottlecapalleytrading.com

According to local lore, the foundation of Bottle Cap Alley was built by the Dixie Chicken bartenders of yesteryear. Located in Northgate, between Dixie Chicken and Dry Bean, Aggies have been piling bottle caps in this alley for the past forty years. Not only does Bottle Cap Alley make for a great Instagram post, but contributing a bottle cap is also believed to bring good luck.

Two Steppin' at Hurricane Harry's

5 MILES FROM HOTEL MCCOY

harrys.bcsclubs.com

You can't leave College Station without making your way around the dance floor at Hurricane Harry's at least one time. This tried and true country club features not one, but two dance floors. Don't miss the chance to two-step, line dance, or catch a live country concert while you're in town.

First Friday Downtown Bryan

9 MILES FROM HOTEL MCCOY

destinationbryan.com/firstfriday

It only happens once a month and if you are here for it, you can't miss it. We are a community of talented artists, musicians, makers, culinary stars, and creative geniuses. We come together on the first Friday of each month and line the streets of downtown Bryan with booths, food trucks, and stages. Get ready for your spirits to be lifted!

Plan a Campus Visit at Texas A&M

4 MILES FROM HOTEL MCCOY

visit.tamu.edu/

You, dear friend, are in the heart of Aggieland. Texas A&M has been the city's center since opening its doors in 1876 as the first public institution of higher learning in the great state of Texas. Today, it is one of the country's leading universities. TAMU has a culture of its own. If you're visiting campus for the first time, just be sure to occasionally yell "Howdy", "Good Bull", "Gig 'Em", or "Whoop!" and you'll blend in just fine.

Go Museum Hopping

4-10 MILES FROM HOTEL MCCOY

When surrounded by a number of neat museums, how do you pick just one? The easy answer - you don't; you go museum hopping instead. It's kind of like bar hopping, but more educational and no hangovers! Start with the Brazos Valley African American Museum, then head over to The Brazos Valley Museum of Natural History, and cap off the day at The Children's Museum of the Brazos Valley. Look at you, learning on vacation!
