String of Pearls	String of Pearls was created to provide a nurturing and safe place for families as they navigate the path following a prenatal diagnosis that may result in the death of their baby prior to, or shortly after birth. The path between grief and hope is a difficult place to walk; our desire is to provide guidance, compassion and practical suggestions as plans to honor the life of pre-born babies are crafted. Each life has a story worth telling, and we are here for support as stories are lovingly written.		https://www.stringofpearlsonline.org	Littleton
