*Weekly Memory Verse: "This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all." 1 John 1:5*

What are some standards that we wrongly use to measure our goodness in the world in which we live?

What standard has God set for our measure? Read Hebrews 4:15-16. How high is the bar set for us?

Read James 1:22-25. When we look into a mirror do we see what we want to see or what is really there? What might distort the image to make us look either better or worse than we really are?

How does James encourage us to use the Text as a mirror for our lives to rightly discern who we are?

If we walk in the light, we have fellowship with each other and with Jesus. Read Psalm 119:97-112. How does God light our way through His word and through community?

Read Revelation 20:11-15. Now read 1 John 2:1-2. The same man wrote both passages by the inspiration of Holy Spirit. How do you see these passages as connected to each other?
