*Weekly Memory Verse: "He who believes in Me, as the Scripture said, from his innermost being will flow rivers of living water."
John 7:38*

At what points in your life have you been tempted to say, "Is YHWH among us or not?" How was this a cry of the heart for God's presence?

Imagine the picture at Rephidim having played out according to Moses cry. "What shall I do to this people?". How would the ending have been different?

Many people claim the God of the OT is full of anger and wrath, and the God of the NT is full of grace and mercy. Obviously, God has not changed. How do you see the NT image of God here in the midst of the OT story?

Read Psalm 78:15-16. How does this change your idea of the water that flowed from the rock at Rephidim?

Read 1 Cor 10:4. Look again in your imagination and see the rock of Rephidim with Jesus standing in the place of the cloud. How is life poured out from Jesus as He was struck instead of us?

Are you rallying around the banner of Jesus to fight for His purpose?
