DAY-TO-DAY OUTLINE OF YOUR LIVE WILD PACKAGE

DAY 1

Greetings! Step into the awe-inspiring beauty of South Africa. Upon landing at Hoedspruit's Eastgate Airport, your guide will warmly welcome you and accompany you to an open safari vehicle for a scenic 45-minute transfer to Bundox Explorer Camp in the Olifants West Private Nature Reserve—an esteemed Big Five reserve nestled within the Greater Kruger National Park.

Following entry formalities at the reserve's Olifants West gate, enjoy a 20-minute drive to the camp, savouring game viewing along the way. The camp's hospitable team eagerly anticipates your arrival, and after a refreshing welcome drink, they will guide you to your tent for a comfortable settling.

A delectable light lunch awaits in the dining area before you embark on an afternoon/evening game drive, unveiling the breathtaking landscapes of this photographer's haven. Pause sundowners in the bush before returning to camp. Unwind with drinks around the crackling fire, culminating in a delightful three-course dinner.

Gather in the dining area for a piping hot cup of coffee before setting out into the African wilderness, witnessing the sun's ascent over the untamed landscape. Along the journey, take a moment for coffee and snacks before traveling alongside the Olifants River. There, relish a delightful breakfast on the banks of the Olifants River before returning to camp for leisure time on the viewing deck.

Following this tranquil interlude, embark on an afternoon/evening drive, scanning the horizon for elusive predators such as the majestic leopard, immersing yourself in the wild's captivating embrace. Back at the camp, a mesmerizing dinner under the stars awaits in our boma, providing a perfect conclusion to your day in the heart of nature.
