

APOLLO PULP & PAPER

Unveiling Our Corporate Identity

Introduction

At Apollo Pulp and Paper, we are dedicated to revolutionizing the waste management sector by providing cutting-edge solutions for the trading of recyclable packaging materials.

With a focus on sustainability, innovation, and efficiency, we aim to empower businesses across Europe to participate actively in the circular economy while maximizing their profitability.

Our Mission

Our mission is to facilitate the seamless exchange of recyclable packaging materials, fostering environmental sustainability and economic growth simultaneously.

We strive to build long-lasting partnerships with our clients, offering them tailored solutions that meet their unique needs while contributing to a greener future for generations to come.

Core Values

Sustainability: We prioritize environmental responsibility in all aspects of our operations, promoting the reuse and recycling of packaging materials to minimize waste and conserve natural resources.

Integrity: We uphold the highest ethical standards in our business practices, ensuring transparency, honesty, and fairness in every transaction.

Innovation: We continuously seek out new technologies and strategies to optimize our processes, enhance efficiency, and stay at the forefront of the industry.

Collaboration: We believe in the power of collaboration and partnership, working closely with our clients, suppliers, and stakeholders to achieve mutual success and drive positive change.

Customer Centricity: We are committed to exceeding our customers' expectations by delivering exceptional service, personalized solutions, and reliable support at every stage of their journey with us.

Trading Paper

Apollo Pulp and Paper connects supply and demand in the recycled paper industry. We buy recovered paper and sell it to the manufacturing industry, where the paper is processed to create new products.

Thanks to our network, we have access to all grades of recovered paper included in the EN 643 list.

Group 1 – Ordinary grades

Group 2 – Medium grades

Group 3 – High grades

Group 4 – Kraft grades

Group 5 – Special grades

Trading Plastics

Apollo Pulp and Papper also has a network of purchase for used plastics that comes from post consumer and industrial waste.

We buy and sell various types of plastic according to the specifications of the grade list for used plastics.

Our offering includes plastics of various types :

- LD PE film (95/5, 90/10)
- HD PE (mixed bottles, tanks, etc)
- PP (yogurt cups, fruit crates, etc)
- PP big bags
- Pet bottle (90/10)

Why Choose Us?

Expertise: With years of experience in the waste management sector, we have the knowledge, skills, and expertise to deliver exceptional results for our clients.

Reliability: We pride ourselves on our reputation for reliability, consistency, and professionalism, ensuring that our clients can always count on us to deliver on our promises.

Sustainability: We are committed to sustainability in everything we do, helping our clients reduce their environmental footprint and contribute to a more sustainable future.

Innovation: We embrace innovation as a driving force for positive change, constantly exploring new ideas and technologies to improve our services and stay ahead of the curve.

Customer Focus: We put our customers at the heart of everything we do, prioritizing their needs, preferences, and satisfaction above all else.
