Sadie Hawkins

Dear Community Leader,

On Friday, November 7, 2025, the Boys & Girls Club of Youngstown and its founding organization, the Rotary Club of Youngstown is hosting the 2025 BGCY Gala at The Lake Club. This event theme, Sadie Hawkin's, will include gourmet dining, live music, premium bourbon tastings, cigars, and networking opportunities guaranteed to be nothing short of a fantastic night. This fun evening celebrates empowerment by encouraging women to take the lead, reflecting our commitment to building confident young leaders in Youngstown. Every year, community leaders attend this signature event to support programs that provide positive, safe, and impactful experiences that ensure children ages 6-18 build confidence, learn healthy alternatives, make good decisions, and chart a course toward successful adulthood.

We seek event sponsors to partner with us in this vital fundraiser, directly supporting youth development programs. Sponsorship provides excellent brand visibility among influential community leaders and premium networking opportunities with like-minded business partners. It demonstrates your commitment to Youngstown's future. Your investment helps provide mentorship, academic support, leadership development, and safe spaces where young people discover their potential and build bright futures. Since 1969, the year Youngstown Rotary funded BGCY, we have been building great futures for youth in our community, recently earning national recognition as one of the top three Boys & Girls Clubs in America for our advocacy work presented in Washington, D.C.

If event sponsorship is not feasible, we welcome donations to our Luxury Gift Raffle or auction items, offering program recognition and event exposure throughout the evening. Your partnership, in whatever form, makes a real difference for kids who need us most. We will gladly arrange for the pickup of donated items. To be included in the event program, your donation and business artwork must be received by Monday, October 27, 2025. Thank you for considering our partnership request and supporting our Valley's young people.

Sincerely,

Edna Edmonds
