Guitar, saxophone, huge songwriting and a voice that won him a Canadian Folk Music Award for Contemporary Singer, Ian Sherwood *Brings the Light* to every stage he stands on. A born story teller and a constant creator, his music dances the line between folk and pop. His live performances thrive on intimacy. Whether it's a theatre show on a large festival stage, his persona is irresistible and completely destroys fourth walls. When not touring the UK, US or all across Canada Sherwood produces for other artists as well as for theatre, film and television. He was named Best Male Artist of the Year by the International Acoustic Music Awards and was twice named the Music Nova Scotia Musician Of The Year. Bob Mersereau of CBC Radio, Fredericton described him as "... a natural performer who entertains as much with his wit and stories as with his songs."

Resident Menu Committee

The Resident Menu Committee met twice in June to try resident-submitted recipes or ideas and included stewed rhubarb with biscuits, chocolate zucchini cake, and rice pudding. These items were sampled and well-liked; to be added to the regular menu rotation. Residents enjoyed over the weekend the newly added Beef & Barley Soup that was previously suggested by a resident, “it was the best beef and barley soup I ever had!”. The Resident Menu Committee will meet again in July to sample the recently suggested Cabbage Rolls and a variety of pudding/custards.
