

# NPSC Uniforms and Equipment

NPSC strives to keep uniform costs as low as possible by only changing recreational uniforms when we are required to by venter contract or when our sponsors change. In House and NCSL-Rec players will wear the same kits; however, NCSL-Rec players are required to have a number printed on the back. These numbers will be assigned by the club. We will not accept requests for numbers. The required kit includes:

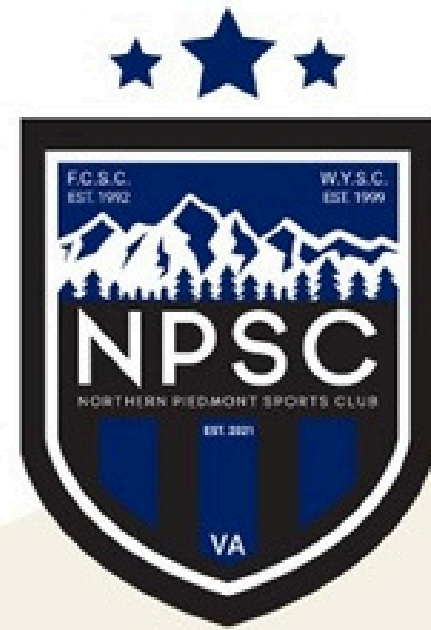

- Home Jersey (Black)
- Away Jersey (White)
- Black Shorts
- Black Socks

Athletes will also need shin guards, cleats, and a soccer ball:

- U8 and below= Size 3 Ball
- U10-U12= Size 4 Ball
- U13+= Size 5 Ball
