

# The Montessori School of San Antonio

17722 Rogers Ranch Parkway  
San Antonio, Texas 78258

[www.montessorisa.org](http://www.montessorisa.org)

# Welcome

---

CAMP MSSA offers a variety of weekly themed sessions that include activities related to STEM, sports, recreation, water play, dance, music, chess, art, crafts, and more! MSSA's beautiful 24-acre campus provides a safe and fun environment with stimulating activities for campers ages 4 to 14 (**age 3 if the student is currently enrolled at MSSA**). All students must be toilet trained to participate. Come join the fun this summer at The Montessori School of San Antonio!

## Registration

---

Registration for Camp MSSA opens at noon on February 14th and closes at 4:00 pm the Friday two weeks before the start of the session or when the class reaches maximum capacity. All registration is online at <https://www.montessorisa.org/mssa-camp/> with full payment due at the time of registration.

## Contact Information

---

For more information or additional questions, contact Jule Metoyer at [jmetoyer@montessorisa.org](mailto:jmetoyer@montessorisa.org) or call [210-492-3553](tel:210-492-3553).

## Hours

---

- **Early Arrival:** 7:45 am - 8:45 am (**additional \$50 per week**)
- **Half Day Sessions (AM):** 9:00 am - 11:45 am (arrival begins at 8:45 am)
- **Full Day Sessions (FD):** 9:00 am - 3:00 pm (arrival begins at 8:45 am)

### Please Note:

Early Arrival is only available to campers enrolled in the Early Arrival program.

-  Half-Day Sessions are only available in the morning for our current MSSA students who are three years old.

## Lunch

---

Campers have the option of purchasing lunch through **Crave-It Nutrition** or bringing their own lunch. MSSA provides snacks daily; however, campers with special dietary needs are required to bring snacks from home.

## Crave-It Nutrition

---

The Montessori School of San Antonio partners with Crave-it Nutrition to provide a secure, fast, and easy-to-use online ordering system you can use to manage student lunches from a smartphone, tablet, or computer.

**Ordering will be OPEN at the end of May!**

- Go to: <https://craveit.boonli.com> (please bookmark this page) Click on
- **Create an Account:** (school password is: **MSSA91**) Enter information
- and click **Submit**
- Enter information for your students, add profile. Repeat for any additional students click **I'm Done** and Sign In

# Camp Descriptions

## **A Pirate's Life for Me!**

**Ms. Lynn & Ms. Addison**

Prepare for a week of pirate fun as campers create pirate themed art projects, read books, and play games. They will learn about parts of a ship, how to use a map to find hidden treasures, and even walk the plank!

## **Board Game Week**

**Mr. Korbyn & Ms. Arabella**

Campers will explore a variety of board games that promote teamwork, good sportsmanship, and problem-solving skills. Each day includes group games, mini tournaments, challenges, and creative, game-inspired activities designed to keep campers engaged and thinking. Throughout the week, campers will also design and build their very own board game, creating the board, rules, and pieces, then play and share their original creations with fellow campers.

## **Coach Carter's Chess Camp**

**Mr. Carter**

Coach Carter's Chess Camp is a fun, structured program designed to help students improve critical thinking, focus, and decision-making through the game of chess. Campers will learn chess fundamentals, tactics, and strategy through interactive lessons, puzzles, mini-games, and supervised play. Instruction is tailored to each skill level, making the camp welcoming for beginners while still challenging more experienced players. Each day balances learning with play to keep students engaged and excited.

## **Backpack Adventure**

**Ms. Nancy & Ms. Jimena**

Going on a journey around the globe. Each day, they travel to a new country, stamp their camp passport, learn fun traditions, make crafts, and sample snacks from that country. It will be playful, educational, and hands-on, full of bright cultural celebration.

## **Brick Busters! Engineering Mayhem**

**Ms. Jennifer**

**Build it. Break it. Learn how it all works! In this action-packed STEM camp, campers will design epic LEGO® creations and test them against the forces of nature. Engineer structures that can withstand earthquakes, launch catapults in friendly challenges, and build ships that actually float, then put them to the test. Get ready to build, break, and learn your way through a week of hands-on summer fun!**

## **Color Adventures**

**Ms. Nancy & Ms. Danielle**

Get ready to discover the power and beauty of color through hands-on painting, exploring color theory, and creating your own masterpieces! Through exciting art projects, playful science experiments, and imaginative games, campers will unleash their creativity and develop a lasting love for color.

## **Cooking Around The World**

**Ms. Danielle**

Campers will travel around the world as they explore different cultures, foods, and traditions. Each stop includes learning to prepare traditional meals and snacks inspired by the countries we visit, creating a fun, flavorful, hands-on experience.

## **Blast off! Space Explorers**

**Ms. Kristina & Ms. Kathy**

Join us for activities that are truly out of this world! Blast off into a universe of planets, stars, and rockets! Lower elementary campers will become junior astronauts as they explore space through hands-on experiments, fun activities, and crafts. Discover the wonders of the solar system, learn how astronauts live and work, and let your curiosity soar among the moon and stars!

## **Chess Adventures**

**Mr. Josh**

This chess camp is designed to strengthen beginning and intermediate chess skills. Campers will focus on strategic thinking, the history of the game, fun brain teasers, and secrets of the Grandmasters. Daily gameplay challenges will help campers master opening strategies, navigate the dynamic middle game, and conquer the epic endgame. Throughout the week, campers will participate in tournaments for prizes, featuring unique chess variations such as blitz, atomic, bughouse, king of the hill, and reverse chess.

## **Cooking Through STEM**

**Ms. Danielle**

Campers will create delicious meals through the art of STEM! Using science to bake, technology to observe their creations come to life, engineering to design recipes, and math to measure ingredients, campers will explore how each STEM component plays a role in cooking while learning why STEM is so important.

# Camp Descriptions

## **CreArte / Bilingual Art**

### **Ms. Sessions**

Join us for an exciting bilingual (English/Spanish) art camp where creativity has no limits! Young artists will explore a variety of fun and inspiring art techniques, including sculpting, puffy painting, foil art, clay, and more. Through hands-on activities, campers will unleash their imagination while learning about art and culture in both English and Spanish.

## **Digital Detox**

### **Ms. Jessica**

This week focuses on practical life skills, etiquette, and manners. Campers will practice everyday skills such as answering the phone, ordering food, budgeting, calculating gratuity, building patience, and helping around the household through engaging, hands-on activities. It's a fun and practical week designed to build confidence and independence.

## **Drum it Out**

### **Ms. Becca & Ms. Michelle**

Campers will work together to build percussion skills by layering rhythms, creating musical phrases, and practicing performance pieces. Along the way, they'll play games, make crafts, enjoy outdoor activities, and build community through collaborative drum circles.

## **Kicks & Hoops**

### **Coach Alvarez & Coach Alvarado**

Campers will build soccer and basketball skills each morning through focused instruction on dribbling, passing, shooting, and teamwork. Afternoons will reinforce these skills with basic drills and structured team play.

## **Create and Play Week**

### **Mr. Korbyn & Ms. Arabella**

Create and Play Week encourages campers to be creative while staying active and engaged. Throughout the week, campers will take part in hands-on art and building activities, as well as games and group play. This camp promotes imagination, teamwork, and fun in a supportive environment where campers can explore, create, and play with friends.

## **Dinosaur Explorers**

### **Ms. Lynn & Ms. Addison**

What was it like when dinosaurs roamed the Earth? Campers will become explorers as they learn all about dinosaurs this week. Activities include hands-on art projects, engaging books, fossil fun, and games that bring the prehistoric world to life. It's going to be DINO-MITE!

## **Hidden Treasures**

### **Mr. Korbyn & Ms. Arabella**

Set off on an exciting adventure at Hidden Treasures Camp! This week-long experience is filled with exploration, teamwork, and discovery. Campers will learn basic tracking skills, practice reading maps, and navigate fun obstacle courses while searching for hidden treasures. Working in teams, campers will enjoy friendly competition as they collaborate to solve clues and challenges. They'll also use their creativity to design their own maps and treasure hunts for other teams to complete. Each day brings new adventures, problem-solving, and plenty of fun as campers learn to work together and think like true explorers!

## **Curiosity LAB-Science & STEM**

### **Ms. Kristina & Ms. Kathy**

Get ready for a week of hands-on fun and discovery! Designed for lower elementary students, this camp invites campers to explore science and STEM through exciting experiments, building projects, process art, and creative challenges. Campers will think like scientists, solve problems, and learn through team-building activities, no experience needed, just curiosity. Come learn, build, explore, and have fun!

## **Down in the Garden**

### **Ms. Kristina & Ms. Kathy**

How does the garden grow? Campers will dig into the wonders of the garden as they discover bugs, earthworms, and all things green. Through hands-on exploration, stories, songs, and crafts, little gardeners will learn about nature, insects, and how plants grow while enjoying plenty of sensory-filled fun. Come sprout with us!

## **It's A Colorful World**

### **Ms. Lynn & Ms. Addison**

Paint, paint, and more paint! Campers will explore color and creativity using a variety of paint types and techniques. Art projects will include painting on paper, shells, rocks, and other objects found in the world around us, making for a fun and hands-on creative experience.

# Camp Descriptions

## Master Builders

### Mr. Korbyn & Ms. Arabella

Unleash your creativity at Master Builders Camp! This week-long camp inspires imagination, problem-solving, and hands-on creation. Campers will design and build using a variety of materials, experimenting, planning, and improving their creations throughout the week. Along the way, they'll develop collaborative and creative thinking skills as they bring their ideas to life. Let your imagination run wild!

## Nature Adventure Awaits You!

### Ms. Nancy & Ms. Danielle

Get ready to dive into nature! Campers will explore the wonders of the outdoors and uncover the amazing secrets of the natural world. They will create nature-inspired crafts, build friendships, and make unforgettable memories while learning through hands-on adventures.

## Storybook and Fairy Tale Adventures

### Ms. Nancy

Join us for a week of fairy tale adventures! Campers will take part in interactive activities, create whimsical crafts, sing songs, and embark on magical adventures with beloved characters. Get ready for a week filled with enchantment and fun.

## Spy School

### Mr. Korbyn & Ms. Arabella

Calling all junior agents! Get ready for a week of action and mystery at Spy School. Campers will tackle obstacle courses, crack secret codes, solve riddles, and complete exciting missions. Along the way, they'll design their own spy gear and build teamwork, problem-solving, and critical-thinking skills as they work together to become top-secret agents.

## Move it Week

### Mr. Korbyn & Ms. Arabella

Move It Week is an energetic and exciting camp all about staying active and having fun. Campers will spend the week moving their bodies through a variety of games, sports, dance, obstacle courses, and team challenges that build coordination, confidence, and teamwork. Move It Week is the perfect way for campers to stay active, make new friends, and enjoy an action-packed week of fun!

## Ocean Adventures

### Ms. Nancy & Ms. Danielle

Dive into a week of underwater excitement where young explorers become marine heroes! Each day, campers will set sail into a new ocean, discovering fascinating sea creatures, solving underwater mysteries, creating ocean-themed crafts, and taking on adventures and challenges inspired by life beneath the waves.

## Storytelling Spanish Immersion

### Ms. Pilar

Campers will enjoy a fully immersive experience where Spanish comes to life through storytelling, painting, dancing, crafting, interactive games, singing songs, and even baking cookies. Whether learning a new language or practicing existing skills, campers will be gently immersed in Spanish while school is out.

## Sweet Creations Cooking Class

### Ms. Pilar

Immersed in Spanish, students will bake and decorate delicious cookies while strengthening their speaking, listening, comprehension, and vocabulary skills. Each day brings engaging activities, fun surprises, and tasty summer treats making language learning both enjoyable and delicious.

## Music Jam

### Ms. Becca & Ms. Michelle

During this musical Week, campers will explore a variety of instruments and discover different ways to play them. Campers will create their own instruments to take home, along with puppets to use with their songbooks. Each day will also include outdoor play, open work time, and joyful music jam sessions.

## Roaring Dinosaurs

### Ms. Nancy & Ms. Jimena

Roar into Dino Camp! Travel back to the age of dinosaurs for a week of prehistoric fun. Campers will dig for fossils, create dinosaur crafts, and play interactive games. Each day will be a new adventure filled with discoveries about different dinosaurs and unforgettable memories.

## Storytelling with Ms. Karen

### Ms. Karen

Explore the world of stories during this immersive and imaginative week. Campers will read, write, and listen to a variety of stories as they discover the art of storytelling. Together, we'll explore the roots of classic fables and favorite books, dive into fiction and fantasy, and bring stories to life through creative activities and discussion.

# Camp Descriptions

## **The Swiftie and Livie Fan Camp**

### **Ms. Sessions**

Calling all Taylor Swift and Olivia Rodrigo fans! This camp is the ultimate destination for music lovers to celebrate creativity, self-expression, and fun through music. Campers will make friendship bracelets, paint canvases inspired by song lyrics, and write and perform their own songs or poems. They'll sing their hearts out during karaoke, test their music knowledge with trivia games, choreograph dances to iconic hits, and even star in a mini music video using props and costumes. Get ready for a week filled with music, creativity, and unforgettable memories!

### **Week at the Rec**

#### **Coach O. and Coach Brenda**

Come enjoy an exciting week of recreation at MSSA! Each day is designed to keep campers moving, creating, and connecting with friends. Campers will take part in a wide variety of activities, including sports and rec games, arts and crafts, bowling, ping pong, playground fun, and daily on-site bike/scooter and board riding. The week also features skating, lunchtime cinema for a relaxing midday break, and a refreshing water day! With a balance of active play, creative expression, and downtime, Week at the Rec offers a fun-filled camp experience where every day brings something new to enjoy.

## **Top Chef / OK, Chef!**

### **Ms. Jessica**

Campers will be immersed in the culinary world as they create recipes, learn about food groups and nutrition, explore cooking methods, practice safe food handling, and plan meals. Campers will also test their improvisation skills with mystery ingredients and enjoy role-playing scenarios inspired by real restaurants. It's a delicious week of creativity, teamwork, and hands-on fun!

## **Zoo-mazing Senses Adventure**

### **Ms. Kristina & Ms. Kathy**

Join us for a wild, sensory-filled zoo adventure! Campers will discover the wonders of the zoo and animal habitats using the magic of their five senses—seeing, hearing, touching, smelling, and tasting. Through hands-on science activities, stories, songs, and art, campers will enjoy a week full of exploration, learning, and roaring fun!

## **Touchdown & Hoops**

### **Coach Alvarez & Coach Charissa**

Get ready to move! Mornings are all about football fun as campers build skills through fast-paced drills, passing, footwork, and team play. In the afternoons, the action shifts to the basketball court, where campers will work on ball handling, shooting, and teamwork through exciting drills and games. This high-energy camp keeps campers active, engaged, and having a blast while building confidence and teamwork throughout the week!
