Lifting Capacity

400 lb (181 kg)

Temperature Tested

0°F - 125°F (-18°C - 52°C)

Warranty

5-Year Limited

Verified Customer

"Great product. Safe and easy to use. Thank you so much for keeping our mom safer and able to get up and down the stairs without worrying."

Melanie W.

EASY OUTDOOR ACCESS

Effortless. Sit down, clip seat belt and press armrest control to glide up/down stairs. Wireless control also comes standard.

Weather-Resistant. Marine-grade vinyl, durable outdoor paint and lightweight waterproof cover provide year-round protection.

Safe. Safely exit away from the stairs by swiveling seat up to 90° at the top landing. Retractable seat belt and obstruction sensors further ensure safety.

Dependable. Battery-powered operation ensures performance even in power outage. Stairlift continually charges along entire rail.

Comfortable. Generously sized seat is adjustable in height. Footrest height and space between armrests are also adjustable.

Compact. Narrow vertical rail design maintains maximum open space. Fold arms, seat and footrest to gain even more room.
