The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items that you may ask us to buy for you such as cemetery or crematory services, flowers and newspaper notices. The prices for these items will be shown on your bill or the statement describing the funeral goods and services you selected. Certain funeral services may be provided off-premises by other funeral service providers.

### **BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$ 2,900**

Our professional service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and/or responsible parties; arrangement of desired services; preparation and filing of necessary authorizations and permits; recording vital statistics (state charge for certified copies of death certificates is extra); preparation and placement of obituary notice, if desired (cost of paid death notice is extra); and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, airlines, vault companies, and others as required. Also included in this charge are overhead expenses relative to our facilities, such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance, taxes, equipment, furnishings, inventory costs, record keeping, and secretarial and administrative expenses.

This fee for our professional services and overhead will be added to the total cost of the funeral arrangements you select.
