

MUSIC CARE CERTIFY FOR ORGANIZATIONS

LONG-TERM CARE

OVERVIEW

WHAT IS MUSIC CARE CERTIFY?

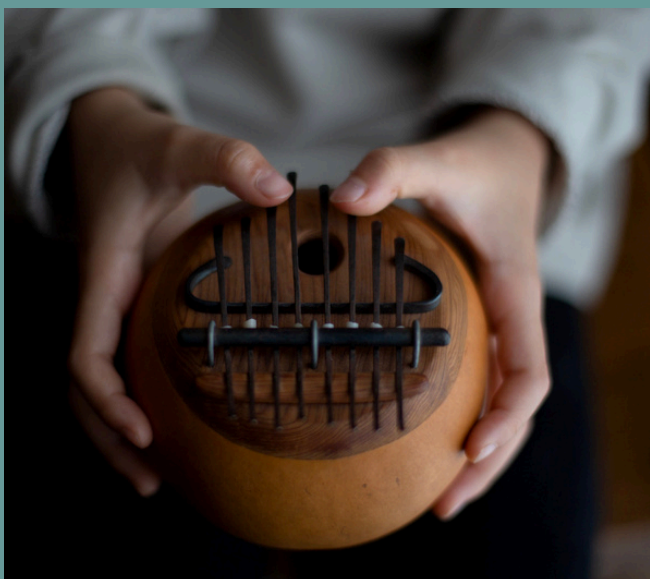

The MUSIC CARE CERTIFY program integrates music into relational, emotionally-focused, person-centred care in long-term care (LTC). Developed by MUSIC CARE by ROOM 217™, a leader in music care education, MUSIC CARE CERTIFY empowers caregivers with tools, training, and resources to bring a music care approach into everyday life.

PROGRAM GOAL

To establish, integrate and evaluate music within LTC to improve quality of life and care outcomes for everyone

BENEFITS FOR LTC HOMES

- Strengthens dementia care strategy
- Increases quality of life for individuals i.e., less falls, improved wound care, better sleep quality, less neuropsychiatric symptoms, emotional wellbeing
- Improves staff retention by boosting morale and showcasing team achievement
- Measures outcomes through action research and data collection
- Enhances musical programming, services and training

WHAT LTC HOMES RECEIVE

- Standardized MUSIC CARE TRAINING
- Music Care Facilitator 1:1 Support
- Portal use, all materials, legacy portfolio
- Unique outcome data
- Professional Development including Masterclass, Webinars and Virtual Learning Studio
- Recognition standard and seal

ALIGNMENT

MUSIC CARE CERTIFY aligns with
Canadian LTC Standards

We had a lot of music in place, but the elevation – we all propelled forward in our music knowledge, confidence, creativity.

–Sandy Croley, Director of Programs & Rehabilitation, Kindera Living
