# EDUCATION INFORMATION

## Funding

This activity has not been supported by educational grants.

## Target Audience

- All practicing allergists/immunologists
- Fellows in allergy/immunology training programs
- NPs and PAs in the field of allergy and immunology

## Overall Educational Objectives

At the conclusion of this activity, participants should be able to:

- Recognize the opportunities and pitfalls of AI and Allergy
- Recognize the important anatomic and physiologic difference in the pediatric and adult airway
- Better recognize some but not all co-morbidities associated with asthma
- Develop a diagnostic and treatment strategy for markedly elevated IgE and hypereosinophilia that considers IEI evaluation and PADs
- Better understand the emerging treatments for HAE including study data and potential clinical impact

This activity is jointly provided by American College of Allergy, Asthma and Immunology and Tennessee Society of Allergy, Asthma and Immunology.

## Disclaimer

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgement of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

## Special Needs

In compliance with the Americans with Disabilities Act, TSAAI requests that any participant in need of accommodation email [tsaai@tsaai.org](mailto:tsaai@tsaai.org)

## Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Allergy, Asthma & Immunology (ACAAI) and Tennessee Society of Allergy, Asthma and Immunology. The American College of Allergy, Asthma and Immunology (ACAAI) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## Designation

The American College of Allergy, Asthma & Immunology (ACAAI) designates this live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Handouts

Prior to the meeting, you may view and/or download handouts including presentations for this year's annual meeting via our website at [TSAAI.org/meeting](http://TSAAI.org/meeting).

## CME CREDITS

### CME Credits

At the conclusion of the annual meeting, ACAAI will email you directions on how to complete evaluations, claim credit and print your CME certificate.

***PLEASE make sure you verify your current email address with the Check-In table.***

Members, please stay for a brief business meeting and new officer elections

# DISCLOSURES

Tennessee Society Allergy, Asthma & Immunology  
TSAAI Annual Meeting 2025  
July 18-20, Pigeon Forge, TN

## Disclosure Policy and Disclosures

As required by the Accreditation Council for Continuing Medical Education (ACCME) and in accordance with the American College of Allergy, Asthma and Immunology (ACAAI) policy, all educational planners, presenters, instructors, moderators, authors, reviewer, and other individuals in a position to control or influence the content of an activity must disclose ALL financial relationships with any ineligible company. The ACCME defines an "ineligible company" (formerly commercial interest) as a company whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. *(Examples of ineligible companies include: Advertising, marketing, or communication firms whose clients are ineligible companies; bio-medical startups that have begun a governmental regulatory approval process; compounding pharmacies that manufacture proprietary compounds; device manufacturers or distributors; diagnostic labs that sell proprietary products; growers, distributors, manufacturers or sellers of medical foods and dietary supplements; manufacturers of health-related wearable products; pharmaceutical companies or distributors; pharmacy benefit managers; reagent manufacturers or sellers).* For more information, visit [www.accme.org](http://www.accme.org).

Disclosure in no way implies that the information presented is biased or of lesser quality. It is incumbent upon course participants to be aware of these factors in interpreting the program contents and evaluating recommendations. Moreover, expressed views do not necessarily reflect the opinions of the ACAAI.

## All relevant financial relationships have been mitigated.
