

**GREY COUNTY
MASTER GARDENERS
PRESENTS**

“THE 2024 ECO-RESPONSIBLE GARDENER”

Three free Zoom seminars, 1.5 hours each, to help you create and maintain an environmentally sustainable and beautiful garden!

Seminar 3

Design your native garden

***Saturday, March 23, 2024,
at 11:00 a.m.***

Want to create a native plant garden, but don't know where to start? Or maybe you want to incorporate more native plants into your established garden. Join Claire Ellenwood, landscape designer and owner of the native plant nursery, [Ontario Flora](https://www.ontarioflora.com), for practical, down-to-earth advice on how to design pollinator-friendly gardens from the ground up. Whatever your style - cottage, modern or formal - you can design it using native plants.

To register please visit our website. Registration closes March 20, 2024, or when our maximum capacity is reached, so register early!
