

Thank you for volunteering with us at FCA Power Camp Greater Portland, happening July 20-23, 2026! We are thankful for your commitment to serve in this important role.

Arrival & Set-up

Upon arrival at Presumpscot Park on July 20, enter the parking lot through the entrance on Leland Street, and park anywhere in the parking lot parallel to the fields. Once parked, we will gather by the indicated registration area.

At 7:35 we will run through instructions and roles for the day, pray, and then break to set up your respective serving area.

On the first day of camp, you will also get your camp T-shirt, nametag, and FOUR bracelets.

FCA Power Camp Greater Portland | July 20-23, 2026

Presumpscot Park, Portland

Departing Camp

The camp day will end at 12:30PM at which point campers will gather with their huddle leaders, where they began the day, to wait for their parent/guardian to pick them up.

Campers are not to be released to “find” their parent/guardian. The parents/guardians need to come to the huddle to pick up their campers.

Volunteers will be expected to stay until 1PM to help with clean-up after each day of camp.

Celebration Lunch

At the conclusion of camp on Thursday, July 23 from 12:45-1:30PM, all parents, family members and volunteers are invited to join us for a Family Celebration Lunch right on site. We would love for all volunteers to make it a priority to stay, but understand if that is not possible. We will provide food, and it will be an opportunity for campers and their families to hear more from our partnering church (Christ the Redeemer) and celebrate a great week at camp together!

We will be hosting this adjacent to the registration area, between the football field and the walkway.

Please pay attention to your email as this is an outdoor venue and the weather may not permit lunch.

What to Bring

IN CASE OF RAIN: As of right now we have no indoor option in the event of weather. If there is light-moderate rain, we plan to hold camp. In that case, please pack rain gear and extra clothes. If there is heavy rain or thunder, we will not hold camp that day. We will communicate exact rain plan details via email the night before camp, so please keep an eye on your email each evening of camp week.

Snacks: Please come with snacks. We will not be providing snacks unless you need help, in which case please reach out to the camp director.

Please refrain from bringing any foods containing common allergens such as peanuts, tree nuts, shellfish, etc. We will likely have campers/volunteers with severe allergies.

Coaches: If you have your own equipment or can borrow it from a school, please bring those items. Otherwise, please communicate with FCA staff about what equipment you will need.

Insurance & Medical

FCA will only provide secondary insurance coverage for volunteers during Power Camp. In case of injury or illness, volunteers will need to provide proof of insurance coverage at the time of treatment. Volunteers not covered by family insurance will be cared for by FCA's insurance. **If you have a known medical need or allergy, please talk with the onsite Athletic Trainer at check-in on Day 1.**
