Prayer is not a goal; it is a way to God, a journey into God's deepest love for you and for the whole world. During our Retreat we invite you to deepen your relationship with God, engaging every part of yourself, heart, mind, breath and body, our wonders and wounds. ## PRAYER TO BEGIN THE DAY

Lord God,  
may everything we do  
begin with your  
inspiration and continue  
with your help, so that all  
of our work today will  
bring us closer to you.  
Guide us in our work  
today, that we may do it  
not for ourselves alone,  
but for the common good  
of all.

We ask this in your name.  
**Amen.**

## DID YOU KNOW?

### **Understanding the VIRTUS® “Protecting God’s Children” program.**

Child sexual abusers often target nurturing, child-friendly environments, where parents and participants assume that no one would ever want to harm a child. The Archdiocese of Los Angeles began implementing the VIRTUS® Protecting God’s Children sexual abuse prevention program in 2004 to send a message to potential predators that child sexual abuse is not tolerated. Through this program, adults learn that through early identification, awareness, and education they can be “proactive” in protecting children and young people from child sexual abuse. Since the program began, more than 405,000 adults have been trained in abuse prevention. Additionally, more than 165,000 Catholic school and religious education students are trained annually with an age-appropriate curriculum on boundary awareness and how to communicate if violations of those safe boundaries occur.

For more information, visit <https://lacatholics.org/education-and-training/>.

The Archdiocese of Los Angeles is committed to ensuring that parishes, schools and ministries are safe places for everyone in our community. For more information about support for victim-survivors and abuse prevention and protection efforts of the Archdiocese, visit: [lacatholics.org/protect](https://lacatholics.org/protect).

## OUR FASCINATING FAITH

### Calendars

Perhaps you noticed that this year we didn’t celebrate the Baptism of the Lord on the Sunday after Epiphany (today), but instead on last Monday, the day after Epiphany. Why the shift? It all has to do with regional calendars. Within certain general boundaries, every national conference of bishops is able to set its own liturgical calendar according to how it is felt to benefit the people in that region most. So, for example, the Epiphany of the Lord is celebrated January 6 on the Church’s universal calendar. But the bishops of the United States decided that, for the benefit of the faithful, it would be better for Epiphany to be celebrated on a Sunday every year. So here in the States we see Epiphany’s date vary from January 2 to January 8. The biggest problem this presents is that the Baptism of the Lord, which is normally celebrated on the Sunday after the Epiphany, would push back the whole liturgical calendar by a week on the years when the Sunday celebration of the Epiphany falls on January 7 or 8, putting the U.S. out of sync with the rest of the Catholic world at least until Lent. To avoid that scenario, the U. S. bishops decreed that in those years the Baptism of the Lord would fall on the Monday after Epiphany, leaving the rest of the calendar intact.
